On January 25, 2019, Merger Sub merged with and into ENLK, and ENLK survived the merger as a wholly owned subsidiary of the Issuer (the "Merger"). The effective time of the Merger is referred to herein as the "Effective Time."

Item 4. Purpose of Transaction.

The information set forth in Items 3, 5 and 6 of this Schedule 13D is incorporated by reference in its entirety into this Item 4.

Series B Preferred Units and Series C Common Units

Concurrently with the execution of the Merger Agreement, Enfield Holdings, affiliates of The Goldman Sachs Group, Inc. (the "GS Investors") and TPG VII Management, LLC ("TPG VII Management") and together with Enfield Holdings and the GS Investors, the "Enfield Parties", the Issuer, the Manager, ENLK and the EnLink General Partner entered into a Preferred Restructuring Agreement (the "Preferred Restructuring Agreement"), pursuant to which, among other things, at the Effective Time, each Series B Preferred Unit issued and outstanding immediately prior to the Effective Time, continued to be issued and outstanding and represent a limited partner interest in ENLK, with terms and conditions modified in accordance with the Amended ENLK LPA (as defined below).

Under the terms of the Tenth Amended and Restated Agreement of Limited Partnership of ENLK, dated as of January 25, 2019 (the "Amended ENLK LPA"), the Series B Preferred Units are exchangeable for Common Units on a 1-for-1.15 basis, subject to certain adjustments. The Series B Preferred Units are exchangeable, in full or in part, for Common Units at the request of Enfield Holdings. ENLK may, in its discretion, satisfy any request to exchange Series B Preferred Units by instead redeeming those units for cash equal to the product of (i) the number of Common Units that would be issued to satisfy such an exchange and (ii) the daily volume-weighted average closing trading price of Common Units on the national securities exchange on which the Common Units are listed or admitted to trading for the trailing 10-trading day period ending two trading days before the date it receives written notice of Enfield Holding's exchange request (the "Series B Redemption Amount").

Additionally, the Series B Preferred Units are exchangeable or redeemable in cash for the Series B Redemption Amount, in full, at the option of the Issuer, if the daily volume-weighted average trading price of the Common Units on the national securities exchange on which the Common Units are listed or admitted to trading is greater than the quotient of (i) 150% of the Series B Issue Price (as defined in the Amended ENLK LPA) for the trailing 30-day trading period ending two trading days before the Issuer's notice of conversion divided by (ii) 1.15 (subject to certain adjustments).

Further, upon certain events involving a change of control of the Manager or ENLK General Partner, all of the Series B Preferred Units will, at the option of the Issuer, be either (i) exchanged for a number of Common Units equal to the greater of (x) the number of Common Units into which the Series B Preferred Units would then be exchanged and (y) the number of Series B Preferred Units to be exchanged multiplied by the quotient of (A) an amount equal to the quotient of (1) 140% of the Series B Issue Price divided by (2) 1.15 (subject to adjustment), divided by (B) the daily volume-weighted average closing trading price of the Common Units on the national securities exchange on which the Common Units are listed or admitted to trading for the 30-trading day period

ending two trading days before the date of such change of control or (ii) redeemed for cash equal to (x) the number of Common Units that would be issued under the preceding clause multiplied by (y) the daily volume-weighted average closing trading price of Common Units on the national securities exchange on which the Common Units are listed or admitted to trading for the trailing 10-trading day period ending two trading days before the date of such redemption.

At the Effective Time, for each Series B Preferred Unit issued by ENLK pursuant to the Amended ENLK LPA, the Issuer issued an additional unit of a new class of non-economic common units representing limited liability company interests in the Issuer (the "Class C Common Units") to Enfield Holdings to provide Enfield Holdings with certain voting rights at the Issuer in accordance with the Second Amended and Restated Operating Agreement of ENLC. The Series B Preferred Units cannot be transferred or exchanged for Common Units unless an equal number of Class C Common Units are so transferred or surrendered to the Issuer in connection with such exchange.

The holders of the Series B Preferred Units, as of an applicable record date, are entitled to receive cumulative distributions (each, a "Series B Quarterly Distribution"), prior to any other distributions made in respect of any other securities of ENLK, at a quarterly rate of \$0.28125 plus the Series B Excess Cash Payment Amount (as defined in the Amended ENLK LPA), plus an in-kind distribution equal to the greater of (i) 0.00250 Series B Preferred Units and (ii) the number of Series B Preferred Units equal to the quotient of (a) the excess (if any) of (x) the Series B Deemed ENLC Distribution Amount (as defined in the Amended ENLK LPA) over (y) \$0.28125, divided by (b) the Series B Issue Price.

In the event of any liquidation, dissolution and winding up of ENLK or a sale, exchange or other disposition of all or substantially all of the assets of ENLK, either voluntary or involuntary, the holders of the Series B Preferred Units shall be entitled to receive, out of the assets of ENLK available for distribution to the members of the Issuer or any assignees, prior and in preference to any distribution of any assets of ENLK to the holders of any other class or series of securities, the positive value in each such holder's capital account in respect of such Series B Preferred Units.

Registration Rights Agreement

The Issuer and Enfield Holdings entered into an Amended and Restated Registration Rights Agreement, dated as of January 25, 2019 (the "Registration Rights Agreement"). The Registration Rights Agreement provides that the Issuer will prepare and file up to four shelf registration statements for the resale of the Common Units for which the Series B Preferred Units may be exchanged as soon as practicable following receipt of written notice from holders of a majority of the Registrable Securities (as defined in the Registration Rights Agreement). The Registration Rights Agreement also provides holders of Registrable Securities with piggyback rights and rights with respect to underwritten offerings. The Registration Rights Agreement contains customary representations, warranties, covenants and indemnities.

Board Representation Agreement and Information Rights Letter

Further, the Manager and the Issuer executed and delivered, as of the Effective Time, an Amended and Restated Board Representation Agreement (the "Amended and Restated Board Representation Agreement") with TPG VII Management, pursuant to which that certain Board Representation Agreement, dated as of January 7, 2016, by and among ENLK, the EnLink General Partner, EnLink Midstream, Inc., a wholly owned subsidiary of the Issuer ("EMI"), and TPG VII Management was amended and restated in its entirety, in order to, among other things, provide TPG VII Management with the right to appoint one member of the Board of Directors of the Manager ("Manager Board"). TPG VII Management has exercised its right to appoint a director to the Manager Board.

Coordination Agreement

The Amended and Restated Coordination and Securityholders' Agreement, dated as of March 3, 2017 (the "Coordination Agreement"), by and among Enfield Holdings, Enfield Holdings Advisors, the GS Investors, TPG VII Egypt Finance, LLC, a Delaware limited liability company ("TPG VII Egypt Finance") and TPG Advisors VII, Inc. (together with TPG VII Egypt Finance and each of their affiliates, the "TPG Investors") and together with the

GS Investors, the “Investors”) sets forth certain agreements, including with respect to governance, transfer restrictions, the purchase of additional securities, the exercise of rights under the Registration Rights Agreement and certain other matters.

Pursuant to the Coordination Agreement, for so long as the number of securities representing limited partner interests in Enfield Holdings (the “Partnership Securities”) owned by each Investor (and its affiliates) continues to represent at least 10% of the issued and outstanding Partnership Securities, the board of directors of Enfield Holdings Advisors will consist of two directors, one designated by the TPG Investors and one designated by the GS Investors.

The Coordination Agreement generally restricts any transfers of any Partnership Securities, Series B Preferred Units, exchanged Common Units or common stock of Enfield Holdings Advisors (collectively, the “Securities”) by any Investor, except (i) transfers to an affiliate of that Investor, so long as that transferee remains an affiliate following the transfer and (ii) transfers pursuant to foreclosure by a lender on such Securities pursuant to any loan agreement to which such Investor is a party and such Securities are pledged as collateral. If any Investor wishes to transfer any Securities to anyone else, that Investor is subject to the other Investors’ right of first offer (in the case of Partnership Securities, shares of common stock or Series B Preferred Units to address a regulatory concern) and tag-along rights. Enfield Holdings Advisors has a call right to acquire all of the shares of common stock of Enfield Holdings Advisors owned by any Investor and their affiliates who collectively cease to own 10% of the issued and outstanding Partnership Securities for the aggregate purchase price paid for such shares.

The Coordination Agreement restricts the ability of Enfield Holdings Advisors to take certain actions relating to the Series B Preferred Units and exchanged Common Units without first obtaining the approval of its board of directors, including the designees of each of the TPG Investors and the GS Investors. Such actions include making or settling a claim for indemnification under the Convertible Preferred Unit Purchase Agreement, dated December 6, 2015, by and between ENLK and Enfield Holdings or the Registration Rights Agreement, assigning any rights or obligations under the Purchase Agreement or the Registration Rights Agreement, voting the Series B Preferred Units with respect to certain matters and amending or waiving any provision of the Purchase Agreement or the Registration Rights Agreement.

The Coordination Agreement will terminate upon a written agreement among the Investors.

Margin Loan Facility

TPG VII Egypt Finance, as borrower (the “Borrower”), entered into (i) a Margin Loan Agreement (the “Loan Agreement”), dated as of March 3, 2017 (the “Loan Closing Date”) with JP Morgan Chase Bank, N.A., London Branch, as lender (the “Lender”), and (ii) a Pledge and Security Agreement (the “Borrower Security Agreement”), dated as of the Loan Closing Date with the Lender, pursuant to which the Borrower pledged all of its Class A Units of Enfield Holdings and its rights under the Second Amended and Restated Agreement of Limited Partnership of Enfield Holdings, dated as of March 3, 2017, as collateral to secure repayment of amounts outstanding under the Loan Agreement. As of the Loan Closing Date, Enfield Holdings entered into (i) a Guarantor Pledge and Security Agreement (the “Guarantor Pledge Agreement”) and, collectively with the Borrower Security Agreement, the “Pledge Agreements”) with the Lender, pursuant to which Enfield Holdings pledged the Borrower’s 26,666,667 Series B Preferred Units, and any Common Units into which such Series B Preferred Units are exchanged, and the Borrower’s rights under the Amended ENLK LPA and the Registration Rights Agreement, as collateral to secure repayment of amounts outstanding under the Loan Agreement (the “Guarantor Collateral”), and (ii) a non-recourse Guarantee (the “Guarantee”) and, collectively with the Loan Agreement and the Borrower Security Agreement, the “Loan Documents”) with the Lender, pursuant to which Enfield Holdings unconditionally guarantees the obligations payable by the Borrower under the Loan Agreement in an amount not to exceed the Guarantor Collateral.

The loans mature on or about March 3, 2022. Upon the occurrence of certain events that are customary for this type of loan, the Lender may exercise its rights to require the Borrower to pre-pay the loan proceeds, post additional collateral, or foreclose on, and dispose of, the pledged Series B Preferred Units and pledged Common Units in accordance with the Loan Documents.

Other than as described above, none of the Reporting Persons nor, to the best knowledge of each of the Reporting Persons, without independent verification, any of the persons listed in Schedule I hereto, currently has any plans or proposals that relate to, or would result in, any of the matters listed in Items 4(a)–(j) of Schedule 13D, although the Reporting Persons may, at any time and from time to time, review or reconsider their position and/or change their purpose and/or formulate plans or proposals with respect thereto. As a result of these activities, one or more of the Reporting Persons may suggest or take a position with respect to potential changes in the operations, management or capital structure of the Issuer as a means of enhancing unitholder value. Such suggestions or positions may include one or more plans or proposals that relate to or would result in any of the actions required to be reported herein, including, without limitation, such matters as acquiring additional securities of the Issuer or disposing of securities of the Issuer; entering into an extraordinary transaction such as a merger, reorganization or liquidation, involving the Issuer or any of its subsidiaries; selling or transferring a material amount of assets of the Issuer or any of its subsidiaries; changing the present board of directors or management of the Manager, including changing the number or term of directors or filling any existing vacancies on the board of directors of the Manager; materially changing the present capitalization or distribution policy of the Issuer; materially changing the Issuer’s business or structure; changing the Issuer’s certificate of formation, amended and restated limited liability company operating agreement or instruments corresponding thereto or taking other actions which may impede the acquisition of control of the Issuer by any person; causing a class of securities of the Issuer to be delisted from a national securities exchange or to cease to be authorized to be quoted in an inter-dealer quotation system of a registered national securities association; causing a class of equity securities of the Issuer to become eligible for termination of registration pursuant to Section 12(g)(4) of the Securities Act of 1933, as amended; and taking any action similar to any of those enumerated above.
