The Exchange Offer is being made in reliance on the position of the staff of the Securities and Exchange Commission (the "Staff") enunciated in the Exxon Capital Holdings Corp., SEC No-Action Letter (May 13, 1988), Morgan Stanley & Co. Inc., SEC No-Action Letter (June 5, 1991), Shearman & Sterling, SEC No-Action Letter (July 2, 1993) and similar no-action letters (the "Prior No-Action Letters"). This letter is being made in order to provide to the Staff the representations and undertakings contained in the Morgan Stanley & Co. Inc and Shearman & Sterling no-action letters referred to above.

Crosstex Energy, L.P., on behalf of the Registrants, hereby confirms and represents as follows:

1. Neither the Registrants nor any of their respective affiliates have entered into any arrangement or understanding with any person, including any broker-dealer, to distribute the Exchange Notes and, to the best of the Registrants' information and belief, each person participating in the Exchange Offer is acquiring the Exchange Notes in the ordinary course of its business and has no arrangement or understanding with any person to participate in the distribution of the Exchange Notes to be received in the Exchange Offer.

1

2. The Registrants will make each person participating in the Exchange Offer aware (through the prospectus for the Exchange Offer) that if such person is participating in the Exchange Offer for the purpose of distributing the Exchange Notes to be acquired in the Exchange Offer, such person (i) cannot rely on the Staff's position enunciated in the Prior No-Action Letters and (ii) must comply with the registration and prospectus delivery requirements of the Securities Act in connection with any secondary resale transaction. The Registrants acknowledge that such a secondary resale transaction by such person participating in the Exchange Offer for the purpose of distributing the Exchange Notes should be covered by an effective registration statement containing the selling security holder information required by Item 507 of Regulation S-K under the Securities Act.

3. The Registrants will make each person participating in the Exchange Offer aware (through the prospectus for the Exchange Offer) that any broker-dealer who holds Original Notes acquired for its own account as a result of market-making activities or other trading activities, and who receives Exchange Notes in exchange for such Original Notes pursuant to the Exchange Offer, may be a statutory underwriter and must deliver a prospectus meeting the requirements of the Securities Act (including the requirement that such prospectus contain a plan of distribution with respect to the applicable resale transaction) in connection with any resale of such Exchange Notes.

4. The Registrants will include in the letter of transmittal or similar documentation to be executed by an exchange offeree in order to participate in the Exchange Offer the following additional provisions:

- i. If the exchange offeree is not a broker-dealer, a representation to the effect that it is not engaged in, and does not intend to engage in, a distribution of the Exchange Notes.
- ii. If the exchange offeree is a broker-dealer holding Original Notes acquired for its own account as a result of market-making activities or other trading activities, an acknowledgement to the effect that it will deliver a prospectus meeting the requirements of the Securities Act in connection with any resale of Exchange Notes received in respect of such Original Notes pursuant to the Exchange Offer; and a statement to the effect that by so acknowledging and by delivering a prospectus, a broker-dealer will not be deemed to admit that it is an "underwriter" within the meaning of the Securities Act.
