**Item 1.01. Entry Into a Material Definitive Agreement.**

***Securities Purchase Agreements***

On December 6, 2015, EnLink Midstream, LLC (the "Registrant") entered into (a) a TOMPC Securities Purchase Agreement (the "TOMPC Purchase Agreement"), among TOMPC LLC ("TOMPC"), Tall Oak Midstream, LLC ("Tall Oak"), EnLink TOM Holdings, LP (the "Buyer") and the Registrant and, solely for purposes of Section 6.19 thereof, EnLink Midstream Partners, LP (the "Partnership") and (b) a TOM-STACK Securities Purchase Agreement (the "TOM-STACK Purchase Agreement" and, together, with the TOMPC Purchase Agreement, the "Acquisition Purchase Agreements") among Tall Oak, FE-STACK, LLC ("FE-STACK"), TOM-STACK Holdings, LLC (together with Tall Oak, the "Sellers"), TOM-STACK, LLC ("TOM-STACK"), the Buyer, the Registrant and, solely for purposes of Section 6.19 thereof, the Partnership, pursuant to which Acquisition Purchase Agreements the Buyer will acquire (the "Acquisition") from the Sellers, as applicable, 100% of the issued and outstanding membership interests (the "Membership Interests") of TOMPC and TOM-STACK (together, the "Target Companies"), which own gathering and processing assets in central Oklahoma, in exchange for an aggregate base purchase price of \$1,550,000,000, subject to certain customary adjustments for working capital, indebtedness, transaction expenses, equity capital and certain pre-closing extraordinary expenditures of, and certain interim tax amounts payable by, the Target Companies. Subject to such adjustments, the aggregate base purchase price will be paid in three installments. The first installment, which will be paid at the closing of the Acquisition, will consist of \$1,050,000,000 and will include (a) \$800,000,000 in cash to be contributed to the Buyer by the Partnership and (b) common units representing limited liability company interests in the Registrant valued at \$250,000,000 (the "Registrant Common Units"), that will be issued directly by the Registrant to the Sellers pursuant to the terms of the Acquisition Purchase Agreements (the "Registrant Private Placement"). The second installment (the "First Subsequent Payment"), which the Buyer may pay any time prior to the first anniversary of the closing of the Acquisition (the "First Anniversary Date"), will consist of \$250,000,000 in cash to be contributed to the Buyer by the Partnership. The final installment, which the Buyer may pay any time prior to the second anniversary of the closing of the Acquisition, will consist of \$250,000,000 in cash to be contributed to the Buyer by the Partnership. The Buyer is an indirect subsidiary of the Partnership and the Registrant formed for the purpose of consummating the Acquisition and holding the Membership Interests.

The Acquisition is expected to close in the first quarter of 2016, subject to customary closing conditions, including the expiration or termination of the applicable waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, as well as conditions regarding the closing of the acquisition by Devon Energy Corporation, the Registrant's indirect parent company ("Devon"), of 100% of the equity interests in, or substantially all of the assets of, Felix Energy, LLC and the closing of the Partnership Private Placement (as defined below). Among other circumstances, the Buyer or Tall Oak may terminate the Acquisition Purchase Agreements if all closing conditions except the closing of the Partnership Private Placement have been satisfied by the outside date of March 31, 2016 (as it may be extended in accordance with the Acquisition Purchase Agreements), and the Buyer may terminate the Acquisition Purchase Agreements if the Unit Purchase Agreement (as defined below) is terminated or if the Partnership Private Placement fails to close. In either of the foregoing situations, the Buyer will be required to pay a termination fee to the Sellers of \$25,000,000, \$42,500,000 or \$60,000,000, depending upon the date of the termination of the Acquisition Purchase Agreements.

The Acquisition Purchase Agreements contain customary representations, warranties and covenants of the Sellers, FE-STACK and the Target Companies, on the one hand, and of the Buyer, the Registrant and the Partnership, on the other hand. In addition, the Sellers and FE-STACK, on the one hand, and the Buyer and the Registrant, on the other hand, have agreed to indemnify each other, and their respective directors, managers, officers, partners, members, shareholders, trustees and employees for, among other things, breaches of representations, warranties and covenants, subject to certain negotiated limitations and survival periods set forth in the Acquisition Purchase

Agreements. The Buyer may offset the First Subsequent Payment by any indemnification amounts owed to it as of the date on which it pays the First Subsequent Payment, and if the Buyer pays the First Subsequent Payment prior to the First Anniversary Date, the Buyer will pay approximately \$155,000,000 of the First Subsequent Payment into two escrow accounts that will be available to satisfy indemnification claims of the Buyer until the First Anniversary Date. In addition to the covenants agreed to by the Sellers, FE-STACK and the Target Companies, certain members of management of the Target Companies, Tall Oak and FE-STACK will enter into non-competition and non-solicitation agreements with the Buyer with effect as of the closing of the Acquisition.

As described above, a portion of the aggregate base purchase price valued at \$250,000,000, subject to the adjustments described above, will consist of Registrant Common Units issued by the Registrant directly to the Sellers at a price of \$14.66 per Registrant Common Unit (the "Registrant Common Unit Issue Price"). The Registrant Common Unit Issue Price was negotiated at arms-length by the Registrant and the Sellers.

The Acquisition Purchase Agreements and the other transactions relating to the Registrant described in this Current Report on Form 8-K (this "Current Report") were reviewed and approved by the Board of Directors of EnLink Midstream Manager, LLC, the managing member of the Registrant (the "Managing Member").

The foregoing description of the Acquisition Purchase Agreements does not purport to be complete and is qualified in its entirety by reference to the text of (1) the TOM-STACK Purchase Agreement, which is filed as Exhibit 2.1 to this Current Report, and (2) the TOMPC Purchase Agreement, which is filed as Exhibit 2.2 to this Current Report, each of which is incorporated herein by reference.

### ***Convertible Preferred Unit Purchase Agreement***

On December 6, 2015, the Partnership entered into a privately-negotiated Convertible Preferred Unit Purchase Agreement (the "Unit Purchase Agreement") with Enfield Holdings, L.P. (the "Purchaser") to issue and sell in a private placement (the "Partnership Private Placement") an aggregate of 50,000,000 Series B Cumulative Convertible Preferred Units representing limited partner interests in the Partnership (the "Preferred Units") for a cash purchase price of \$15.00 per Preferred Unit (the "Preferred Unit Issue Price"), resulting in total gross proceeds of approximately \$750,000,000. The Preferred Unit Issue Price was negotiated at arms-length by the Partnership and the Purchaser. The closing of the Partnership Private Placement is subject to customary closing conditions, including the concurrent closing of the Acquisition, which is expected to occur in the first quarter of 2016.

Net proceeds to the Partnership upon the closing of the Partnership Private Placement, after deduction of fees and expenses, including a 2.5% transaction fee paid to the Purchaser, are expected to be approximately \$730,000,000. Proceeds from the Partnership Private Placement will be used to partially fund the Partnership's portion of the purchase price payable in connection with the Acquisition.

The Unit Purchase Agreement contains customary representations, warranties and covenants of the Partnership and the Purchaser. The Partnership, on the one hand, and the Purchaser, on the other hand, have agreed to indemnify each other and their respective officers, directors, managers, employees, agents, counsel, accountants, investment bankers and other representatives against certain losses resulting from breaches of their respective representations, warranties and covenants, subject to certain negotiated limitations and survival periods set forth in the Unit Purchase Agreement.

The Preferred Units are convertible into common units representing limited partner interests of the Partnership ("Partnership Common Units") on a one-for-one basis, subject to certain adjustments, at any time after the record date for the fifth quarter following the consummation of the Partnership Private Placement (a) in full, at the option of the Partnership, if the VWAP of a Partnership Common Unit over the 30-trading day period ending two trading days prior to the conversion date (the "Conversion VWAP") is greater than 150% of the Preferred Unit Issue Price or (b) in full or in part, at the option of the Purchaser. In addition, upon certain events involving a change of control of the general partner of the Partnership (the "General Partner") or the Managing Member, all of the Preferred Units will automatically convert into a number of Partnership Common Units equal to the greater of (i) the number of Partnership Common Units into which the Preferred Units would then convert and (ii) the number of Preferred Units to be converted multiplied by an amount equal to (x) 140% of the Preferred Unit Issue Price divided by (y) the Conversion VWAP.

The Purchaser will receive a quarterly distribution, subject to certain adjustments, equal to (x) during the quarter in which the Partnership Private Placement is consummated and for the five full quarters thereafter, an annual rate of 8.5% on the Preferred Unit Issue Price payable in-kind in the form of additional Preferred Units and (y) thereafter, at an annual rate of 7.5% on the Preferred Unit Issue Price payable in cash (the "Cash Distribution Component") plus an in-kind distribution equal to the greater of (A) an annual rate of 1.0% of the Preferred Unit Issue Price and (B) an amount equal to (i) the excess, if any, of the distribution that would have been payable had the Preferred Units converted into Partnership Common Units over the Cash Distribution Component, divided by (ii) the Preferred Unit Issue Price.

Pursuant to the Unit Purchase Agreement, in connection with the closing of the Partnership Private Placement, the General Partner will execute an Eighth Amended and Restated Agreement of Limited Partnership of the Partnership to, among other things, authorize and establish the terms of the Preferred Units, in the form attached as an exhibit to the Unit Purchase Agreement. Also, the Partnership has agreed to enter into a Registration Rights Agreement with the Purchaser at the closing of the Partnership Private Placement, pursuant to which, among other things, the Partnership will give the Purchaser certain rights to require the Partnership to file and maintain a registration statement with respect to the resale of the common units representing limited partnership interests in the Partnership that are issuable upon conversion of the Preferred Units. In addition, at the closing of the Partnership Private Placement, the Partnership, the General Partner and EnLink Midstream, Inc., the sole member of the General Partner, will enter into a

Board Representation Agreement with TPG VII Management, LLC ("TPG"), an affiliate of the Purchaser, pursuant to which, among other things, the size of the board of directors of the General Partner (the "GP Board") will be expanded by two members, and each of Devon and TPG will have the right to appoint one such new member of the GP Board.

The foregoing description of the Unit Purchase Agreement does not purport to be complete and is qualified in its entirety by reference to the text of the Unit Purchase Agreement, which is filed as Exhibit 10.1 to this Current Report and is incorporated herein by reference.
