**EnLink Midstream Partners, LP Unitholders Approve Simplification Merger**

*Transaction expected to close January 25, 2019*

**DALLAS, January 23, 2019** — EnLink Midstream Partners, LP (NYSE: ENLK) (the Partnership or ENLK) and EnLink Midstream, LLC (NYSE: ENLC) (the General Partner or ENLC) announced that, at a unitholder special meeting held earlier today, ENLK unitholders overwhelmingly voted to approve the proposed merger agreement (dated October 21, 2018) whereby ENLC will acquire all outstanding common units of ENLK not already owned by ENLC in a unit-for-unit exchange transaction to simplify its corporate structure.

Approximately 91.7 percent of the total ENLK common units and ENLK Series B Cumulative Convertible Preferred units were voted by proxy or in person at the meeting, and, of those votes, approximately 99.7 percent voted in favor of approving the merger agreement.

“The Board of Directors and EnLink management thank the unitholders for their vote, which solidifies their confidence in the future of EnLink,” said Michael J. Garberding, EnLink President and Chief Executive Officer. “Upon close of the transaction, EnLink will have the right corporate structure, further strengthening our ability to create long-term, sustainable value. EnLink is in a strong position with our purposely built strategic asset platforms and 1,500 employees focused on serving customers and execution excellence.”

The simplification merger is expected to close on January 25, 2019.
