Item 1.01. Entry into a Material Definitive Agreement.

On February 22, 2019, EnLink Midstream, LLC (the “Company”) entered into an Equity Distribution Agreement (the “Agreement”) with RBC Capital Markets, LLC, Merrill Lynch, Pierce, Fenner & Smith Incorporated, Barclays Capital Inc., BMO Capital Markets Corp., Citigroup Global Markets Inc., Credit Suisse Securities (USA) LLC, J.P. Morgan Securities LLC, Jefferies LLC, Mizuho Securities USA LLC, MUFG Securities Americas Inc., SunTrust Robinson Humphrey, Inc., and Wells Fargo Securities, LLC (collectively, the “Sales Agents”) to sell up to \$400 million in aggregate gross sales of common units representing limited liability company interests in the Company (the “Common Units”) from time to time through an “at the market” equity offering program.

Pursuant to the Agreement, the Common Units may be offered and sold through the Sales Agents in transactions that are deemed to be “at the market” offerings as defined in Rule 415 of the Securities Act of 1933, as amended (the “Securities Act”), including sales made by means of ordinary brokers’ transactions through the facilities of the New York Stock Exchange at market prices, in block transactions, or as otherwise agreed by the Company and the Sales Agents. The Agreement provides that any Sales Agent, when it is acting as the Company’s agent, will be entitled to compensation of up to 2% of the gross sales price of the Common Units sold through such Sales Agent from time to time. The Company may also sell Common Units to any Sales Agent as principal for the Sales Agent’s own account at a price agreed upon at the time of sale. The Company has no obligation to sell any of the Common Units under the Agreement and may at any time suspend solicitation and offers under the Agreement.

The offer and sale of the Common Units will be registered under the Securities Act, pursuant to the Company’s shelf registration statement on Form S-3 (Registration No. 333-229806) (the “Registration Statement”), which became effective automatically upon filing with the Securities and Exchange Commission on February 22, 2019, including the prospectus contained therein, as supplemented by the prospectus supplement filed with the Securities and Exchange Commission pursuant to Rule 424(b) under the Securities Act on February 22, 2019.

In the Agreement, the Company agreed to indemnify the Sales Agents against certain liabilities, including liabilities under the Securities Act, or to contribute to payments that the Sales Agents may be required to make because of any of those liabilities.

Ladies and Gentlemen:

EnLink Midstream, LLC, a Delaware limited liability company (the "**Company**"), confirms its agreement (this "**Agreement**") with RBC Capital Markets, LLC, Merrill Lynch, Pierce, Fenner & Smith Incorporated, Barclays Capital Inc., BMO Capital Markets Corp., Citigroup Global Markets Inc., Credit Suisse Securities (USA) LLC, J.P. Morgan Securities LLC, Jefferies LLC, Mizuho Securities USA LLC, MUFG Securities Americas Inc., SunTrust Robinson Humphrey, Inc., and Wells Fargo Securities, LLC (each, a "**Manager**" and, collectively, the "**Managers**"), with respect to the issuance and sale from time to time by the Company of common units representing limited liability company interests in the Company (the "**Common Units**"), having an aggregate offering price of up to \$400,000,000 (the "**Units**") through or to the Managers, as sales agents or principals, on the terms and subject to the conditions set forth in this Agreement.

The direct and indirect subsidiaries of the Company listed under the caption "**Operating Subsidiaries**" on Schedule 1 hereto are collectively referred to herein as the "**Operating Subsidiaries**." The Company, EnLink Midstream Manager, LLC, a Delaware limited liability company and the managing member of the Company (the "**Managing Member**"), and the Operating Subsidiaries are collectively referred to herein as the "**Company Entities**."

The Company has filed with the Securities and Exchange Commission (the "**Commission**") a registration statement on Form S-3 (Registration No. 333-229806) for the registration of the Common Units under the Securities Act of 1933, as amended (the "**Act**"), and the rules and regulations of the Commission thereunder (collectively, the "**Rules and Regulations**"). The Registration Statement (as defined below) sets forth the material terms of the offering, sale, and plan of distribution of the Units and contains additional information concerning the Company and its business. Except where the context otherwise requires, the term "**Registration Statement**" means the registration statement referred to above, including (i) all documents filed as a part thereof or incorporated, or deemed to be incorporated, by reference therein and (ii) any information contained or incorporated by reference in a prospectus filed with the Commission pursuant to Rule 424(b) of the Rules and Regulations, to the extent such information is deemed, pursuant to Rule 430B or Rule 430C of the Rules and Regulations, to be part of the registration statement at the effective time. Except where the context requires, the term "**Basic Prospectus**" means the prospectus dated February 22, 2019, filed as part of the Registration Statement, including the documents incorporated by reference therein as of the date of such prospectus. Except where the context otherwise requires, the term "**Prospectus Supplement**" means the most recent prospectus supplement relating to the Units, to be filed by the Company with the Commission pursuant to Rule 424(b) of the Rules and Regulations on or before the second business day after the date hereof (or such earlier time as may be required under the Act), in the form furnished by the Company to the Managers in connection with the offering of the Units. Except where the context otherwise requires, the term "**Prospectus**" means the Prospectus Supplement (and any additional prospectus supplement prepared in accordance with the last sentence of Section 3(x) and filed in accordance with the provisions of Rule 424(b) of the Rules and Regulations), together with the Basic Prospectus attached to or used with the Prospectus Supplement. "**Permitted Free Writing Prospectus**" has the meaning set forth in Section 3(f). Any reference herein to the Registration Statement, the Basic Prospectus, the Prospectus Supplement, the Prospectus, and any Permitted Free Writing Prospectus shall, unless otherwise stated, be deemed to refer to and include the documents, if any, incorporated, or deemed to be incorporated, by reference therein (the "**Incorporated Documents**"), including, unless the context otherwise requires, the documents, if any, filed as exhibits to such Incorporated Documents. Any reference herein to the terms "amend," "amendment" or "supplement" with respect to the Registration Statement, the Basic Prospectus, the Prospectus Supplement, the Prospectus, or any Permitted Free Writing Prospectus shall, unless stated otherwise, be deemed to refer to and include the filing of any document under the Securities Exchange Act of 1934, as amended, and the rules and regulations of the Commission thereunder (collectively, the "**Exchange Act**") on or after the initial effective date of the Registration Statement or the date of the Basic Prospectus, the Prospectus Supplement, the Prospectus, or such Permitted Free Writing Prospectus, as the case may be, and deemed to be incorporated therein by reference. If the Company files a successor registration statement with respect to the Units, after the effectiveness of any such registration statement, all references to "**Registration Statement**" included in this Agreement shall be deemed to include such new registration statement, including all documents incorporated by reference therein pursuant to Item 12 of Form S-3, and all references to "**Basic Prospectus**" included in this Agreement shall be deemed to include the final form of prospectus, including all documents incorporated therein by reference, included in any such registration statement at the time such registration statement became effective.

The Company confirms its agreement with the Managers as follows:

1. Sale and Delivery of the Units.

(a) **Agency Transactions.** On the basis of the representations, warranties, and agreements herein contained, but subject to the terms and conditions herein set forth, the Company and the Managers agree that the Company may issue and sell through each Manager, as sales agent for the Company, the Units (an "**Agency Transaction**") as follows:

(i) The Company may, from time to time, propose to a Manager the terms of an Agency Transaction by means of a telephone call (confirmed promptly by electronic mail in a form substantially similar to Exhibit A hereto (an "**Agency Transaction Notice**")) from any of the individuals listed as authorized representatives of the Company on Schedule 2 hereto (each, an "**Authorized Company Representative**"), such proposal to include: (A) the trading day(s) for the New York Stock Exchange (the "**Exchange**") (which may not be a day on which the Exchange is scheduled to close prior to its regular weekday closing time) on which the Units are to be sold (each, a "**Trading Day**"); (B) the maximum number of Units (which may be expressed as a percentage of volume) that the Company wishes to sell in the aggregate and on each Trading Day; (C) the minimum price at which the Company is willing to sell the Units (the "**Floor Price**"); and (D) the compensation payable to such Manager for such sales pursuant to Section 1(a)(vii). Such Agency Transaction Notice may be amended intra-day by the Authorized Company Representative as confirmed in writing (which may be by electronic mail) between the Manager and such representative.

(ii) If such proposed terms for an Agency Transaction are acceptable to the Manager, it shall promptly confirm the terms by an acknowledgement included in a return electronic mail message referring to the Agency Transaction Notice for such Agency Transaction that is delivered to an Authorized Company Representative.

(iii) Subject to the terms and conditions hereof, each Manager shall use its commercially reasonable efforts consistent with its normal trading and sales practices to sell all of the Units designated in, and subject to the terms of, such Agency Transaction Notice. No Manager shall sell any Unit at a price lower than the Floor Price. The Company acknowledges and agrees with the Managers that (A) there can be no assurance that any Manager will be successful in selling all or any of such Units, (B) no Manager shall incur any liability or obligation to the Company or any other person or entity if it does not sell any Units for any reason other than a failure by such Manager to use its commercially reasonable efforts consistent with its normal trading and sales practices and applicable law and regulations to sell such Units as required under this Agreement, and (C) no Manager shall be under any obligation to purchase any Units on a principal basis pursuant to this Agreement (except in the case of a Principal Transaction pursuant to this Agreement and the relevant Terms Agreement). For the purposes of this Agreement, the "gross sales price" of the Units sold under this Section 1(a) shall be equal to the price at which the Company's Common Units are sold by a Manager under this Section 1(a).

(iv) The Company, acting through an Authorized Company Representative, or any Manager may, upon notice to the other party hereto by telephone (confirmed promptly by electronic mail), suspend or terminate the offering of the Units with respect to which

the Manager is acting as sales agent; *provided, however*, that such suspension or termination shall not affect or impair the parties' respective obligations with respect to the Units sold hereunder prior to the giving of such notice.

(v) If the terms of any Agency Transaction as set forth in an Agency Transaction Notice contemplate that the Units shall be sold on more than one Trading Day, then the Company and the applicable Manager shall mutually agree to such additional terms and conditions as they deem necessary in respect of such multiple Trading Days, and such additional terms and conditions shall be binding to the same extent as any other terms contained in the relevant Agency Transaction Notice.

(vi) A Manager, as sales agent in an Agency Transaction, shall not make any sales of the Units on behalf of the Company, pursuant to this Agreement, other than (A) by means of ordinary brokers' transactions that qualify for delivery of the Prospectus (as defined below) in accordance with Rule 153 of the Rules and Regulations and meet the definition of an "at the market offering" under Rule 415(a)(4) of the Rules and Regulations and (B) such other sales of the Units on behalf of the Company in its capacity as agent of the Company as shall be agreed by the Company and the Manager in writing (which may be by email).

(vii) The compensation to a Manager for sales of the Units in an Agency Transaction with respect to which such Manager acts as sales agent hereunder shall be up to 2% of the gross offering proceeds of the Units sold pursuant to this Agreement. The Manager shall provide written confirmation to the Company and to the transfer agent for the Common Units, as directed by the Company (which may be provided by email to an Authorized Company Representative and to such transfer agent), following the close of trading on the Exchange on each Trading Day on which Units are sold in an Agency Transaction under this Agreement, setting forth (A) the number of Units sold on such Trading Day, (B) the gross offering proceeds received from such sales, and (C) the Net Offering Proceeds (as defined below) to be paid to the Company from such sales. Such compensation shall be set forth and invoiced in periodic statements from such Manager to the Company, with payment to be made by the Company promptly after its receipt thereof.

(viii) Settlement for sales of the Units in an Agency Transaction pursuant to this Agreement shall occur on the second business day that is also a Trading Day following the trade date on which such sales were made, unless another date shall be agreed to in writing by the Company and the applicable Manager (each such day, an "**Agency Settlement Date**"). On each Agency Settlement Date, the Units sold through a Manager in Agency Transactions for settlement on such date shall be issued and delivered by the Company to the Manager against payment by the Manager to the Company of the net offering proceeds (being the gross offering proceeds for such sales less the commission payable for such sales) (the "**Net Offering Proceeds**") from the sale of such Units. Settlement for all such Units shall be effected by free delivery of the Units by the Company or its transfer agent to the Manager's or its designee's account (*provided* that the Manager shall have given the Company written notice of such designee prior to the relevant Agency Settlement Date) at The Depository Trust Company or by such other means of delivery as may be mutually agreed upon by the parties hereto, which in all cases shall be freely tradable, transferable, registered shares in good deliverable form, in return for payment in same-day funds delivered to the account designated by the Company. If the Company, or its transfer agent (if

applicable), shall default on its obligation to deliver the Units on any Agency Settlement Date, the Company shall (x) hold the Manager harmless against any loss, claim, damage, or expense (including, without limitation, reasonable legal fees and expenses), as incurred, arising out of or in connection with such default by the Company and (y) pay the Manager any commission, discount, or other compensation to which it would otherwise be entitled absent such default. If the Manager breaches this Agreement by failing to deliver the Net Offering Proceeds to the Company on any Agency Settlement Date for the Units delivered by the Company, the Manager will pay the Company interest based on the effective overnight federal funds rate on such unpaid amount less any compensation due to the Manager.

(b) **Principal Transactions.** If the Company wishes to issue and sell the Units pursuant to this Agreement but other than as set forth in Section 1(a) (each, a “**Principal Transaction**”), the Company will notify a Manager of the proposed terms of such Principal Transaction. If a Manager, acting as principal, wishes to accept such proposed terms (which it may decline to do for any reason in its sole discretion) or, following discussions with the Company, wishes to accept amended terms, the Manager and the Company will enter into an agreement in substantially the form of Exhibit B hereto (each, a “**Terms Agreement**”) that sets forth the terms of such Principal Transaction, including, without limitation, the time, date, and place of delivery of and payment for the Units to be sold pursuant to such Principal Transaction (each of such date and each Agency Settlement Date, a “**Settlement Date**”). The terms set forth in a Terms Agreement shall not be binding on the Company or the Manager unless and until each of the Company and the Manager has executed such Terms Agreement accepting all of such terms. The commitment of the Manager to purchase the Units pursuant to any Terms Agreement shall be deemed to have been made on the basis of the representations and warranties of the Company herein contained (but deemed modified in the manner described in Section 1(f)) and shall be subject to the terms and conditions herein set forth. In the event of a conflict between the terms of this Agreement and the terms of any Terms Agreement, the terms of such Terms Agreement shall control.

(c) **Maximum Number of Units.** Under no circumstances shall the Company propose to any Manager, or any Manager effect, a sale of Units in an Agency Transaction or a Principal Transaction pursuant to this Agreement if such sale would (i) cause the aggregate gross sales proceeds of the Units sold pursuant to this Agreement to exceed \$400,000,000 (the “**Maximum Amount**”), (ii) cause the number of Units sold to exceed the number of Common Units available for offer and sale under the then effective Registration Statement, or (iii) cause the number of Units sold pursuant to this Agreement to exceed the number of Units authorized from time to time to be issued and sold pursuant to this Agreement by the board of directors of the Managing Member, or a duly authorized committee thereof, and notified to the Managers in writing.

(d) **Regulation M.** If any party hereto has reason to believe that the exemptive provisions set forth in Rule 101(c)(1) of Regulation M under the Exchange Act are not satisfied with respect to the Company or the Units, it shall promptly notify the other parties and sales of Units under this Agreement shall be suspended until that or other exemptive provisions have been satisfied in the judgment of the parties hereto.

(c) **Material Non-Public Information.** Notwithstanding any other provision of this Agreement, no sales of Units shall take place, and the Company shall not request the sales of any Units, (i) during any period in which the Company is in possession of material non-public information with respect to the Company or (ii) except as may be mutually agreed upon by the Company and the applicable Manager that is requested to make any such sale, at any time from and including the date that is 14 calendar days prior to the date on which the Company shall issue a press release containing, or shall otherwise publicly announce, its earnings, revenues, or other results of operations (an “**Earnings Announcement**”) through and including the time that is 24 hours after the time that the Company files (a “**Filing Time**”) a Quarterly Report on Form 10-Q or an Annual Report on Form 10-K that includes consolidated financial statements as of and for the same period or periods, as the case may be, covered by such Earnings Announcement (such period referred to herein as a “**Quarterly Blackout Period**”).

(f) **Continuing Accuracy of Representations and Warranties.** Any obligation of any Manager to use its commercially reasonable efforts consistent with its normal trading and sales practices to sell the Units on behalf of the Company as sales agent shall be subject to (i) the continuing accuracy of the representations and warranties of the Company herein (*provided, however*, that (A) any references to the “Registration Statement,” the “Prospectus” or the “Incorporated Documents” in such representations and warranties shall be deemed, in each case, to refer to the “Registration Statement,” the “Prospectus” or the “Incorporated Documents,” as applicable, as amended or supplemented as of such time, and (B) such representations and warranties shall be deemed modified to incorporate the disclosures contained in the Registration Statement, the Prospectus and the Incorporated Documents, in each case as so amended and supplemented as of such time), (ii) the performance by the Company of its obligations hereunder, and (iii) the continuing satisfaction of the conditions specified in Section 4 of this Agreement.

2. Representations and Warranties of the Company. The Company represents and warrants to, and covenants with, each Manager at the Execution Time and at each such time the following representations and warranties are repeated or deemed to be made pursuant to this Agreement, as follows:

(a) The Registration Statement and any post-effective amendment thereto have become effective. The Company has responded to all requests, if any, of the Commission for additional or supplemental information. No stop order suspending the effectiveness of the Registration Statement is in effect and no proceedings for such purpose have been instituted or are pending or, to the knowledge of the Company, are threatened by the Commission.

(b) (i) at the respective times, the Registration Statement and any post-effective amendment thereto became effective, (ii) at each deemed effective date with respect to each Manager pursuant to Rule 430B(f)(2) under the Act, (iii) as of each Time of Sale, (iv) at each Settlement Date, and (v) at all times during such period as the Prospectus is required by law to be delivered (whether physically, deemed to be delivered pursuant to Rule 153 or through compliance with Rule 172 of the Rules and Regulations or any similar rule) in connection with sales of the Units (the “**Prospectus Delivery Period**”), the Registration Statement complied and will comply in all material respects with the Act and the Rules and Regulations, and did not and will not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading. As of each Time of Sale and each

Settlement Date and at all times during the Prospectus Delivery Period, the Prospectus, as amended or supplemented, complied and will comply in all material respects with the Act and the Rules and Regulations, and, together with all of the then issued Permitted Free Writing Prospectuses, if any, did not and will not contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading. The Basic Prospectus (including any amendment thereto) complied when so filed in all material respects with the Rules and Regulations, and the Prospectus (including the Basic Prospectus included therein) delivered to the Managers for use in connection with the transactions contemplated by this Agreement is identical to the electronically transmitted copy thereof filed with the Commission on EDGAR, except to the extent permitted by Regulation S-T. The foregoing representations and warranties in this Section 2(b) do not apply to any statements contained in the Registration Statement, the Prospectus, or any Permitted Free Writing Prospectus in reliance upon and in conformity with information relating to any Manager furnished in writing to the Company by the Managers specifically for inclusion in the Registration Statement, the Prospectus or any Permitted Free Writing Prospectus (or any amendment or supplement thereto), which constitutes the information set forth in Schedule 3 hereto. “**Time of Sale**” means, (i) with respect to an Agency Transaction, the time of a Manager’s initial entry into contracts with investors for the sale of such Units and (ii) with respect to a Principal Transaction, the time of sale of such Units.

(c) The Incorporated Documents, when they became effective or when filed with the Commission, as the case may be, conformed in all material respects to the requirements of the Act and the Rules and Regulations or the Exchange Act, as applicable, and none of such documents contained an untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary to make the statements therein not misleading.

(d) Any free writing prospectus that the Company is required to file pursuant to Rule 433(d) of the Rules and Regulations has been, or will be, filed with the Commission in accordance with the requirements of the Act and the Rules and Regulations. Each free writing prospectus that the Company has filed, or is required to file, pursuant to Rule 433(d) of the Rules and Regulations or that was prepared by or on behalf of or used or referred to by the Company complies or will comply in all material respects with the requirements of the Act and the Rules and Regulations. Each free writing prospectus, as of its issue date and at all subsequent times through the completion of the offer and sale of the Units or until any earlier date that the Company notified or notifies the Managers, did not, does not, and will not include any material information that conflicted, conflicts, or will conflict with the information contained in the Registration Statement or the Prospectus. Except for the Permitted Free Writing Prospectuses, if any, the Company has not prepared, used, or referred to, and will not, prepare, use, or refer to, any free writing prospectus.

(e) Each of the Company Entities has been duly organized or formed and is validly existing as a limited partnership or limited liability company, as applicable, in good standing under the laws of the jurisdiction set forth opposite its name in Schedule 1 attached hereto with full power and authority to own or lease its properties and to conduct its business in all material respects, in each case as described in the Registration Statement and the Prospectus. Each of the Company Entities is duly registered or qualified to do business as a foreign limited liability company or limited partnership, as the case may be, for the transaction of business under the laws

of each jurisdiction in which the character of the business conducted by it or the nature or location of the properties owned or leased by it makes such registration or qualification necessary, except where the failure to register or qualify would not have a material adverse effect on the business, prospects, financial condition or results of operations of the Company Entities, taken as a whole (“**Material Adverse Effect**”).

(f) The Managing Member has all necessary limited liability company power and authority to act as managing member of the Company.

(g) EnLink Midstream GP, LLC, a Delaware limited liability company (the “**General Partner**”), has all necessary limited liability company power and authority to act as general partner of EnLink Midstream Partners, LP, a Delaware limited partnership (the “**Partnership**”). EnLink Midstream Operating GP, LLC, a Delaware limited liability company (the “**Operating GP**”), has all necessary limited liability company power and authority to act as general partner of EnLink Midstream Operating, LP, a Delaware limited partnership (the “**Operating Partnership**”).

(h) The Managing Member is the sole managing member of the Company. As of the date hereof (and prior to the issuance of the Units as contemplated by this Agreement), (i) the Managing Member has a non-economic managing member interest in the Company, (ii) such managing member interest has been duly authorized and validly issued in accordance with the Second Amended and Restated Operating Agreement of the Company dated as of January 25, 2019 (as amended to date, the “**Company Agreement**”), and (iii) the Managing Member owns its managing member interest free and clear of all liens, encumbrances, security interests, or claims (collectively, “**Liens**”) (except restrictions on transferability contained in Section 4.7 of the Company Agreement or as described in the Registration Statement and the Prospectus).

(i) As of the date hereof (and prior to the issuance of the Units as contemplated by this Agreement), the issued and outstanding limited liability company interests of the Company consist of 486,861,703 Common Units and 59,154,779 Class C Common Units representing limited liability company interests in the Company (“**Class C Common Units**”). All outstanding Common Units and Class C Common Units have been duly authorized and validly issued in accordance with the Company Agreement and are fully paid (to the extent required under the Company Agreement) and nonassessable (except as such nonassessability may be affected by Sections 18-607 and 18-804 of the Delaware Limited Liability Company Act (the “**Delaware LLC Act**”).

(j) As of the date hereof, GIP III Stetson I, L.P., a Delaware limited partnership, owns, directly or indirectly, 108,859,690 Common Units and GIP III Stetson II, L.P., a Delaware limited partnership, owns directly or indirectly, 115,495,669 Common Units.

(k) When issued in accordance with this Agreement (in the case of an Agency Transaction) or a Terms Agreement (in the case of a Principal Transaction), the Units to be sold by the Company and the limited liability company interests represented thereby will be duly authorized in accordance with the Company Agreement and will be validly issued, fully paid (to the extent required under the Company Agreement), and nonassessable (except as such nonassessability may be affected by Sections 18-607 and 18-804 of the Delaware LLC Act and as

described in the Registration Statement and the Prospectus under the caption “**Description of the Common Units—Limited Liability**”).

(l) All of the issued and outstanding equity interests of each Operating Subsidiary (i) have been duly authorized and validly issued in accordance with the limited partnership agreement or limited liability company agreement (collectively, the “**Operative Agreements**”) and the certificate of limited partnership, formation or conversion, or other similar organizational document (in each case as amended to date) (collectively with the Operative Agreements, the “**Organizational Documents**”), as applicable, of such Operating Subsidiary, are fully paid (in the case of an interest in a limited partnership or limited liability company, to the extent required under the Organizational Documents of such Operating Subsidiary) and nonassessable (except as such nonassessability may be affected by Sections 17-303, 17-607, and 17-804 of the Delaware Revised Uniform Limited Partnership Act (the “**Delaware LP Act**”), Sections 18-607 and 18-804 of the Delaware LLC Act or Sections 153.102, 153.202, and 153.210 of the Texas Business Organizations Code (the “**TBOC**”), as applicable), and (ii) are owned, directly or indirectly, by the Company, free and clear of all Liens, except restrictions on transferability as described in the Registration Statement and the Prospectus or as otherwise contained in the Organizational Documents.

(m) The Company owns (i) 100% of the outstanding common units representing limited partnership interests in the Partnership and (ii) 100% of the membership interests of the General Partner.

(n) The Partnership owns 100% of the issued and outstanding membership interests in the Operating GP.

(o) The Partnership is the sole limited partner of the Operating Partnership with a 99.999% limited partner interest in the Operating Partnership and the Operating GP is the sole general partner of the Operating Partnership with a 0.001% general partner interest in the Operating Partnership.

(p) The Operating Partnership owns 100% of the issued and outstanding membership interests in EnLink Energy GP, LLC, a Delaware limited liability company (“**EnLink Energy GP**”). EnLink Energy GP is the sole general partner of EnLink Oklahoma Gas Processing, LP, a Delaware limited partnership (“**EnLink Oklahoma**”).

(q) As of the date hereof, the Company has no direct or indirect subsidiaries other than the Operating Subsidiaries that would be deemed a “**significant subsidiary**” as such term is defined in Rule 405 of the Rules and Regulations (assuming, for purposes of this paragraph, that the conditions described in such definition are determined as of the date hereof).

The Company agrees not to take any action that would result in the Managers or the Company being required to file pursuant to Rule 433(d) under the Act a free writing prospectus prepared by or on behalf of the Managers that they otherwise would not have been required to file thereunder.

(g) **Compliance with Blue Sky Laws.** The Company shall cooperate with the Managers and counsel therefor in connection with the registration or qualification (or the obtaining of exemptions therefrom) of the Units for the offering and sale under the securities or Blue Sky laws of such jurisdictions as the Managers may reasonably request and to continue such registration or qualification in effect so long as necessary under such laws for the distribution of the Units; *provided, however*, that in no event shall the Company be obligated to qualify to do business in any jurisdiction where it is not now so qualified or to take any action which would subject it to general service of process in any jurisdiction where it is not now so subject (except service of process with respect to the offering and sale of the Units).

(h) **Availability of Earnings Statements.** The Company shall make generally available to its unitholders and to the Managers an earnings statement or statements of the Company and its subsidiaries which will satisfy, on a timely basis, the provisions of Section 11(a) of the Act and Rule 158 under the Act.

(i) **Reimbursement of Certain Expenses.** Whether or not any of the transactions contemplated by this Agreement are consummated or this Agreement is terminated, the Company shall pay, or reimburse if paid by any Manager, all costs and expenses incident to the performance of the obligations of the Company under this Agreement, including, but not limited to, costs and expenses of or relating to (i) the preparation, printing, and filing of the Registration Statement and exhibits to it, each preliminary prospectus, each Permitted Free Writing Prospectus, the Prospectus, and any amendment or supplement to the Registration Statement or the Prospectus, (ii) the preparation and delivery of certificates representing the Units, (iii) the printing of this Agreement, (iv) furnishing (including costs of shipping, mailing, and courier) such copies of the Registration Statement, the Prospectus, any preliminary prospectus, and any Permitted Free Writing Prospectus, and all amendments and supplements thereto, as may be requested for use in connection with the offering and sale of the Units by the Managers, (v) the listing of the Units on the Exchange, (vi) any filings required to be made by the Managers with the Financial Industry Regulatory Authority, and the reasonable fees, disbursements, and other charges of counsel for the Managers in connection therewith, (vii) the registration or qualification of the Units for offer and sale under the Act and the securities or Blue Sky laws of such jurisdictions designated pursuant to subsection (g) of this Section 3, including the reasonable fees, disbursements, and other charges of counsel to the Managers in connection therewith, and, if requested by the Managers, the preparation and printing of preliminary, supplemental, and final Blue Sky or Legal Investment memoranda, (viii) counsel to the Company, (ix) The Depository Trust Company and any other depository, transfer agent, or registrar for the Units, (x) the accountants for the Company, (xi) the marketing of the offering by the Company, including, without limitation, all costs and expenses of commercial airline tickets, hotels, meals, and other travel expenses of officers, employees, agents, and other representatives of the Company, (xii) the reasonable fees and disbursements of counsel to the Managers, and (xiii) all fees, costs, and expenses for consultants used by the Company in connection with the offering. It is understood, however, that except as provided in this Section 3(i) and Sections 1(a)(vii) and 5 hereof, the Managers shall pay all of their own costs and expenses incurred in connection with entering into this Agreement and the transactions contemplated by this Agreement.

(j) **No Stabilization or Manipulation.** The Company shall not at any time, directly or indirectly (including, without limitation, through the subsidiaries), take any action

intended to cause or result in, or which might reasonably be expected to cause or result in, or which will constitute, stabilization or manipulation, under the Act or otherwise, of the price of the Units to facilitate the sale or resale of any of the Units.

(k) **Use of Proceeds.** The Company shall apply the net proceeds from the offering and sale of the Units to be sold by the Company in the manner set forth in the Prospectus under “**Use of Proceeds.**”

(l) **DTC.** The Company shall cooperate with the Managers and use its reasonable efforts to permit the Units to be eligible for clearance and settlement through the facilities of DTC.

(m) **Clear Market.** If sales of the Units have been made but not settled, or the Company has had outstanding with any Manager any instructions to sell the Units, in either case, within the prior two business days, the Company shall not offer to sell, sell, pledge, hypothecate, contract, or agree to sell, purchase any option to sell, grant any option for the purchase of, lend, or otherwise dispose of, directly or indirectly, any Common Units or any securities convertible into or exercisable or exchangeable for Common Units or warrants or other rights to Common Units or any other securities of the Company that are substantially similar to the Common Units or permit the registration under the Act of any Common Units (other than a shelf registration statement under Rule 415 under the Act, a registration statement on Form S-8, or post-effective amendment to the Registration Statement), in each case without giving the Manager at least one business day’s prior written notice specifying the nature and date of such proposed transaction. Notwithstanding the foregoing, the Company may (i) register the offering and sale of the Units through the Managers pursuant to this Agreement, (ii) issue Common Units upon the exercise of an option or warrant or the conversion or exchange of (A) a security outstanding on the date hereof or (B) any additional securities issued after the date hereof that are of the same class or series as a security outstanding on the date hereof, (iii) issue Common Units or options to purchase Common Units granted pursuant to existing employee benefit plans of the Company (including employee benefit plans the obligations of which have been assumed by the Company), or (iv) issue Common Units pursuant to any non-employee director stock plan, dividend reinvestment plan, or stock purchase plan of the Company, or issue Common Units as full or partial consideration for any transfer, sale, or contribution of assets or equity interests to the Company or any of its subsidiaries. If notice of a proposed transaction is provided by the Company pursuant to this subsection (m), the Managers may suspend activity of the transactions contemplated by this Agreement for such period of time as may be requested by the Company or as may be deemed appropriate by the Managers.

(n) **Stock Exchange Listing.** The Company shall use its commercially reasonable efforts to cause the Units to be listed on the Exchange and to maintain such listing.

(o) **Additional Notices.** The Company shall notify the Managers immediately after it shall have received notice or obtained knowledge of any information or fact that would alter or affect any opinion, certificate, letter, or any other document provided to the Managers pursuant to Section 4 below.

(p) **Representation Date Certificates.** Upon commencement of the offering of the Units under this Agreement (and upon the recommencement of the offering of the Units

under this Agreement following the termination of a suspension of sales hereunder), and each time that (i) the Registration Statement or the Prospectus is amended or supplemented (other than (x) an amendment or supplement effected by the filing with the Commission of any document incorporated by reference therein or (y) a prospectus supplement relating solely to the offering of securities pursuant to the Registration Statement other than the Units), (ii) there is filed with the Commission by the Company any Annual Report on Form 10-K or a Quarterly Report on Form 10-Q, (iii) the Managers may reasonably request, and (iv) Units are delivered to any Manager pursuant to a Terms Agreement (it being understood that any certificate, comfort letter, opinion or other instrument to be delivered pursuant to this Agreement with respect to this clause (iv) shall be provided only to the Manager party to the applicable Terms Agreement) (such commencement date, any such recommencement date, if applicable, and each such date referred to in clauses (i), (ii), (iii), and (iv) above, a “**Representation Date**”), the Company shall furnish or cause to be furnished to the Managers forthwith a certificate dated and delivered as of such date, in form reasonably satisfactory to the Managers, to the effect that the statements contained in the certificate referred to in Section 4(d) of this Agreement are true and correct at the time of such commencement, recommencement, amendment, supplement, or filing, as the case may be, as though made at and as of such time (except that such certificate shall state that such statements (including with respect to the representations and warranties contained herein) shall be deemed modified to incorporate the disclosures contained in the Registration Statement, the Prospectus, and the Incorporated Documents, in each case as amended and supplemented to the time of delivery of such certificate).

(q) **Company Counsel Legal Opinions.** On each Representation Date, the Company shall cause to be furnished to the Managers, dated as of such date and addressed to the Managers, in form and substance satisfactory to the Managers, the written opinion of Baker Botts L.L.P., outside counsel for the Company, as described in Section 4(e), to the effect set forth in Exhibit C hereto but modified as necessary to relate to the Registration Statement and the Prospectus as amended and supplemented to the time of delivery of such opinion. In lieu of delivering such an opinion for dates subsequent to the commencement of the offering of the Units under this Agreement such counsel may furnish the Managers with a letter (a “**Reliance Letter**”) to the effect that the Managers may rely on a prior opinion delivered under this Section 3(q) to the same extent as if it were dated the date of such letter (except that statements in such prior opinion shall be deemed to relate to the Registration Statement and the Prospectus as amended or supplemented as of such subsequent date).

(r) **Comfort Letter.** On each Representation Date, the Company shall cause KPMG LLP to deliver to the Managers the comfort letter described in Section 3(g).

(s) **Due Diligence.** The Company shall reasonably cooperate with any reasonable due diligence review requested by the Managers or their counsel from time to time in connection with the transactions contemplated hereby or any Terms Agreement, including, without limitation, at each Representation Date or otherwise as the Managers may reasonably request, providing information and making available documents and appropriate officers of the Company and representatives of the accountants of the Company for one or more due diligence sessions with representatives of the Managers and their counsel.

(t) **Trading.** The Company hereby consents to any Manager trading in the Common Units for such Manager's own account and for the account of its clients at the same time as sales of the Units pursuant to this Agreement or pursuant to a Terms Agreement.

(u) **Deemed Representations and Warranties.** The Company hereby agrees that each acceptance by it of an offer to purchase Units hereunder shall be deemed to be (i) an affirmation to the Managers that the representations and warranties of the Company contained in or made pursuant to this Agreement are true and correct as of the date of such acceptance as though made at and as of such date and (ii) an undertaking that such representations and warranties will be true and correct as of the Time of Sale and the Settlement Date for the Units relating to such acceptance as though made at and as of each of such dates; *provided, however*, that (A) any references to the "**Registration Statement**," the "**Prospectus**," or the "**Incorporated Documents**" in such representations and warranties shall be deemed, in each case, to refer to the "**Registration Statement**," the "**Prospectus**," or the "**Incorporated Documents**," as applicable, as amended or supplemented to the date of such acceptance, such Time of Sale or such Settlement Date, as the case may be, and (B) such representations and warranties shall be deemed modified to incorporate the disclosures contained in the Registration Statement, the Prospectus and the Incorporated Documents, in each case as so amended and supplemented as of such acceptance, such Time of Sale or such Settlement Date, as the case may be.

(v) **Board Authorization.** Prior to delivering notice of the proposed terms of an Agency Transaction or a Principal Transaction pursuant to Section 1 (or at such time as otherwise agreed between the Company and the Managers), the Company shall have (i) obtained from the board of directors of the Managing Member or a duly authorized subcommittee thereof all necessary authority for the sale of the Units pursuant to the relevant Agency Transaction or Principal Transaction, as the case may be, and (ii) provided to the Managers a copy of the relevant board resolutions or other authority.

(w) **Offer to Refuse to Purchase.** If to the knowledge of the Company any condition set forth in Section 4(a) of this Agreement shall not have been satisfied on the applicable Settlement Date, the Company shall offer to any person who has agreed to purchase Units from the Company as the result of an offer to purchase solicited by a Manager the right to refuse to purchase and pay for such Units.

(x) **Disclosures in Periodic Reports.** The Company shall, subject to subsection (a) of this Section 3, disclose in its quarterly reports on Form 10-Q and in its annual report on Form 10-K a summary detailing, for the relevant reporting period, the number of Units sold through or to the Managers under this Agreement, the net proceeds received by the Company from such sales, and the compensation paid by the Company to the Managers with respect to such sales. In lieu of compliance with the requirement set forth in the immediately preceding sentence, the Company may prepare a prospectus supplement with such summary information and, at least once a quarter and subject to subsection (a) of this Section 3, file such prospectus supplement pursuant to Rule 424(b) under the Act (and within the time periods required by Rule 424(b) and Rule 430A, 430B, or 430C under the Act).

4. Conditions of the Obligations of the Managers. The obligations of the Managers hereunder are subject to (i) the accuracy of the representations and warranties of the Company on

the date hereof, on each Representation Date and as of each Time of Sale and Settlement Date (provided, however, that (A) any references to the **Registration Statement**,” the **Prospectus**,” or the **Incorporated Documents**” in such representations and warranties shall be deemed, in each case, to refer to the **Registration Statement**,” the **Prospectus**,” or the **Incorporated Documents**,” as applicable, as amended or supplemented as of such time, and (B) such representations and warranties shall be deemed modified to incorporate the disclosures contained in the Registration Statement, the Prospectus and the Incorporated Documents, in each case as so amended and supplemented as of such time), (ii) the performance of the Company of its obligations hereunder, and (iii) the following additional conditions:

(a) **No Stop Orders, Requests for Information and No Amendments.** (i) No stop order suspending the effectiveness of the Registration Statement shall have been issued and no proceedings for that purpose shall be pending or are, to the knowledge of the Company, threatened by the Commission and (ii) no order suspending the qualification or registration of the Common Units under the securities or Blue Sky laws of any jurisdiction shall be in effect and no proceeding for such purpose shall be pending before or threatened or contemplated by the authorities of any such jurisdiction.

(b) **No Material Adverse Effect** Since the date of the most recent financial statements of the Company included or incorporated by reference in the Registration Statement and the Prospectus, except as described in the Registration Statement and the Prospectus, there shall not have been a Material Adverse Effect.

(c) **No FINRA Objection.** FINRA shall not have raised any objection with respect to the fairness and reasonableness of the terms and arrangements under this Agreement.

(d) **Officers' Certificates.** The Managers shall have received, on each Representation Date, one or more accurate certificates, dated such date and signed by a duly authorized officer of the Managing Member, in accordance with the provisions of Section 3(p) (including the deemed modification of the representations and warranties contained herein, as set forth in Section 3(p)), to the effect set forth in clauses (a) and (b) above and to the effect that:

(i) the signer of such certificate has carefully examined the Registration Statement, the Prospectus (including any documents filed under the Exchange Act and deemed to be incorporated by reference into the Prospectus), and each Permitted Free Writing Prospectus, if any;

(ii) as of such date, neither the Registration Statement, the Prospectus, nor any Permitted Free Writing Prospectus contained any untrue statement of a material fact or omitted to state any material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading;

(iii) each of the representations and warranties of the Company contained in this Agreement are, as of such date, true and correct, except to the extent such representation or warranty speaks as of a specific date, in which case, such representation or warranty was true and correct as of such specific date; and

(iv) each of the covenants and agreements required herein to be performed by the Company on or prior to such date has been duly, timely and fully performed and each condition herein required to be complied with by the Company on or prior to such date has been duly, timely, and fully complied with.

(e) **Opinion of Counsel to the Company.** The Managers shall have received, on each Representation Date, an opinion of Baker Botts L.L.P., outside counsel for the Company, dated such date and addressed to the Managers, to the effect set forth in Exhibit C hereto.

(f) **Opinion of Counsel to the Managers.** The Managers shall have received, on Representation Date, an opinion of Vinson & Elkins L.L.P., outside counsel for the Managers, dated such date and addressed to the Managers, in form and substance reasonably satisfactory to the Managers.

(g) **KPMG Comfort Letter.** The Managers shall have received from KPMG LLP, on each Representation Date, letters dated such date and addressed to the Managers, in form and substance reasonably satisfactory to the Managers, (i) confirming that KPMG LLP is an independent registered public accounting firm within the meaning of the Act, the Exchange Act and the Public Company Accounting Oversight Board, (ii) stating, as of such date, the conclusions and information of the type ordinarily included in accountants' "comfort letters" to underwriters in connection with registered public offerings with respect to the audited and unaudited financial statements and certain other financial information contained or incorporated by reference in the Registration Statement and the Prospectus (the first such letter, the "**Initial Comfort Letter**"), and (iii) in the case of any such letter after the Initial Comfort Letter, updating the Initial Comfort Letter with any information that would have been included in the Initial Comfort Letter had it been given on such date and modified as necessary to relate to the Registration Statement, the Prospectus, or any Permitted Free Writing Prospectus, as amended or supplemented to the date of such letter.

(h) **Due Diligence.** The Company shall have complied with all of its due diligence obligations required pursuant to Section 3(s).

(i) **Compliance with Blue Sky Laws.** The Units shall be qualified for sale in such states and jurisdictions as the Managers may reasonably request, and each such qualification shall be in effect and not subject to any stop order or other proceeding on the relevant Representation Date.

(j) **Stock Exchange Listing.** The Units shall have been duly authorized for listing on the Exchange, subject only to notice of issuance at or prior to the applicable Settlement Date.

(k) **Regulation M.** The Units shall be "**actively-traded securities**" excepted from the requirements of Rule 101 of Regulation M under the Exchange Act by subsection (c)(1) of such rule.

(l) **Additional Certificates.** The Company shall have furnished to the Managers such certificate or certificates, in addition to those specifically mentioned herein, as the Managers may have reasonably requested as to the accuracy and completeness at each

Representation Date of any statement in the Registration Statement or the Prospectus or any documents filed under the Exchange Act and deemed to be incorporated by reference into the Prospectus, as to the accuracy at such Representation Date of the representations and warranties of the Company herein, as to the performance by the Company of its obligations hereunder, or as to the fulfillment of the conditions concurrent and precedent to the obligations hereunder of the Managers.

5. Indemnification.

(a) **Indemnification of the Managers.** The Company shall indemnify and hold harmless each Manager, the directors, officers, employees, and agents of such Manager and each person, if any, who controls such Manager within the meaning of Section 15 of the Act or Section 20 of the Exchange Act from and against any and all losses, claims, liabilities, expenses, and damages (including, without limitation, any and all investigative, legal, and other expenses reasonably incurred in connection with, and any amount paid in settlement of, any action, suit, or proceeding between any of the indemnified parties and any indemnifying parties or between any indemnified party and any third party, or otherwise, or any claim asserted), to which they, or any of them, may become subject under the Act, the Exchange Act, or other Federal or state statutory law or regulation, at common law or otherwise, insofar as such losses, claims, liabilities, expenses, or damages arise out of or are based on (i) any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement (or any amendment thereto), including any information deemed to be a part thereof pursuant to Rules 430A, 430B, or 430C, as applicable, including all documents incorporated therein by reference, or the omission or alleged omission thereof of a material fact required to be stated therein or necessary to make the statements therein not misleading or (ii) any untrue statement or alleged untrue statement of a material fact contained in any Permitted Free Writing Prospectus, the Prospectus (or any amendment or supplement thereto), or any “**issuer free writing prospectus**” as defined in Rule 433 under the Act or the omission or alleged omission thereof of a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading; *provided, however*, that the Company shall not be liable to the extent that such loss, claim, liability, expense, or damage arises from the sale of the Units in the public offering to any person by any Manager and is based on an untrue statement or omission or alleged untrue statement or omission made in reliance on and in conformity with information relating to any Manager furnished in writing to the Company by the Managers expressly for inclusion in the Registration Statement, the Prospectus, or any Permitted Free Writing Prospectus. This indemnity will be in addition to any liability that the Company might otherwise have.

(b) **Indemnification of the Company.** Each Manager, severally and not jointly, shall indemnify and hold harmless the Company, its agents, each person, if any, who controls the Company within the meaning of Section 15 of the Act or Section 20 of the Exchange Act, each director, officer, or employee of the Managing Member to the same extent as the foregoing indemnity from the Company to the Managers, but only insofar as losses, claims, liabilities, expenses, or damages arise out of or are based on any untrue statement or omission or alleged untrue statement or omission made in reliance on and in conformity with information relating to the Managers furnished in writing to the Company by the Managers expressly for inclusion in the Registration Statement, any Permitted Free Writing Prospectus or the Prospectus. This indemnity will be in addition to any liability that the Managers might otherwise have.

(c) **Indemnification Procedures.** Any party that proposes to assert the right to be indemnified under this Section 5 shall, promptly after receipt of notice of commencement of any action against such party in respect of which a claim is to be made against an indemnifying party or parties under this Section 5, notify each such indemnifying party of the commencement of such action, enclosing a copy of all papers served, but the omission so to notify such indemnifying party shall not relieve the indemnifying party from any liability that it may have to any indemnified party under the foregoing provisions of this Section 5 unless, and only to the extent that, such omission results in the forfeiture of substantive rights or defenses by the indemnifying party. If any such action is brought against any indemnified party and it notifies the indemnifying party of its commencement, the indemnifying party will be entitled to participate in and, to the extent that it elects by delivering written notice to the indemnified party promptly after receiving notice of the commencement of the action from the indemnified party, jointly with any other indemnifying party similarly notified, to assume the defense of the action, with counsel satisfactory to the indemnified party, and after notice from the indemnifying party to the indemnified party of its election to assume the defense, the indemnifying party will not be liable to the indemnified party for any legal or other expenses except as provided below and except for the reasonable costs of investigation subsequently incurred by the indemnified party in connection with the defense. The indemnified party will have the right to employ its own counsel in any such action, but the fees, expenses and other charges of such counsel will be at the expense of such indemnified party unless (i) the employment of counsel by the indemnified party has been authorized in writing by the indemnifying party, (ii) the indemnified party has reasonably concluded (based on advice of counsel) that there may be legal defenses available to it or other indemnified parties that are different from or in addition to those available to the indemnifying party, (iii) a conflict or potential conflict exists (based on advice of counsel to the indemnified party) between the indemnified party and the indemnifying party (in which case the indemnifying party shall not have the right to direct the defense of such action on behalf of the indemnified party), or (iv) the indemnifying party has not in fact employed counsel to assume the defense of such action within a reasonable time after receiving notice of the commencement of the action, in each of which cases, the reasonable fees, disbursements, and other charges of counsel shall be at the expense of the indemnifying party or parties. It is understood that the indemnifying party or parties shall not, in connection with any proceeding or related proceedings in the same jurisdiction, be liable for the reasonable fees, disbursements, and other charges of more than one separate firm admitted to practice in such jurisdiction at any one time for all such indemnified party or parties. All such fees, disbursements, and other charges shall be reimbursed by the indemnifying party promptly after the time that they are incurred. An indemnifying party shall not be liable for any settlement of any action or claim effected without its written consent. No indemnifying party shall, without the prior written consent of each indemnified party, settle or compromise or consent to the entry of any judgment in any pending or threatened claim, action, or proceeding relating to the matters contemplated by this Section 5 (whether or not any indemnified party is a party thereto), unless such settlement, compromise, or consent includes an unconditional release of each indemnified party from all liability arising or that may arise out of such claim, action, or proceeding.

(d) **Contribution.** In order to provide for just and equitable contribution in circumstances in which the indemnification provided for in the foregoing paragraphs of this Section 5 is applicable in accordance with its terms but for any reason is held to be unavailable from the Company or any Manager, the Company and the applicable Manager shall contribute to

the total losses, claims, liabilities, expenses, and damages (including, without limitation, any investigative, legal, and other expenses reasonably incurred in connection with, and any amount paid in settlement of, any action, suit, or proceeding or any claim asserted, but after deducting any contribution received by the Company from persons other than such Manager, such as persons who control the Company within the meaning of the Act, officers of the Managing Member who signed the Registration Statement and directors of the Managing Member, who also may be liable for contribution) to which the Company and such Manager may be subject in such proportion as shall be appropriate to reflect the relative benefits received by the Company on the one hand and such Manager on the other. The relative benefits received by the Company on the one hand and any Manager on the other shall be deemed to be in the same proportion as the total net proceeds from the offering (before deducting expenses) received by the Company bear to the sum of (i) the total compensation to such Manager pursuant to Section 1(a)(vii) (in the case of one or more Agency Transactions hereunder) and (ii) the underwriting discounts and commissions received by such Manager as set forth in the table on the cover page of the Prospectus (in the case of one or more Principal Transactions pursuant to Terms Agreements). If, but only if, the allocation provided by the foregoing sentence is not permitted by applicable law, the allocation of contribution shall be made in such proportion as is appropriate to reflect not only the relative benefits referred to in the foregoing sentence but also the relative fault of the Company, on the one hand, and the applicable Manager, on the other, with respect to the statements or omissions which resulted in such loss, claim, liability, expense, or damage, or action in respect thereof, as well as any other relevant equitable considerations with respect to such offering. Such relative fault shall be determined by reference to whether the untrue or alleged untrue statement of a material fact or omission or alleged omission to state a material fact relates to information supplied by the Company or the applicable Manager, the intent of the parties and their relative knowledge, access to information, and opportunity to correct or prevent such statement or omission. The amount paid or payable by an indemnified party as a result of the loss, claim, liability, expense, or damage, or action in respect thereof, referred to above in this subsection (d) shall be deemed to include, for purpose of this subsection (d), any legal or other expenses reasonably incurred by such indemnified party in connection with investigating or defending any such action or claim. Notwithstanding the provisions of this subsection (d), no Manager shall be required to contribute any amount in excess of the sum of (i) the total compensation to such Manager pursuant to Section 1(a)(vii) (in the case of one or more Agency Transactions hereunder) and (ii) the underwriting discounts and commissions received by such Manager as set forth in the table on the cover page of the Prospectus (in the case of one or more Principal Transactions pursuant to Terms Agreements), and no person found guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. For purposes of this subsection (d), any person who controls a party to this Agreement within the meaning of the Act will have the same rights to contribution as that party, and each director, officer or employee of the Managing Member will have the same rights to contribution as the Company, subject in each case to the provisions hereof. Any party entitled to contribution, promptly after receipt of notice of commencement of any action against such party in respect of which a claim for contribution may be made under this subsection (d), will notify any such party from whom contribution may be sought, but the omission so to notify will not relieve the party from whom contribution may be sought from any other obligation it may have under this subsection (d). No party will be liable for contribution with respect to any action or claim settled without its written consent.

(c) **Survival.** The indemnity and contribution agreements contained in this Section 5 and the representations and warranties of the Company contained in this Agreement shall remain operative and in full force and effect regardless of (i) any investigation made by or on behalf of any Manager, (ii) acceptance of any of the Units and payment therefor, or (iii) any termination of this Agreement.

6. Termination.

(a) The Company may terminate this Agreement, with respect to any or all of the Managers, in its sole discretion at any time upon prior written notice to the Managers. Any such termination shall be without liability of any party to the other party, except that (i) with respect to any pending sale, the obligations of the Company, including, without limitation, in respect of compensation of any Manager, shall remain in full force and effect notwithstanding such termination; and (ii) the provisions of Sections 2, 3(i), 5, 7(d), and 7(f) of this Agreement shall remain in full force and effect notwithstanding such termination. In the case of any sale by the Company pursuant to a Terms Agreement, the obligations of the Company pursuant to such Terms Agreement and this Agreement may not be terminated by the Company without the prior written consent of the Manager party to such Terms Agreement.

(b) Each Manager may terminate its own obligations under this Agreement in its sole discretion at any time upon giving prior written notice to the Company. Any such termination shall have no effect on the obligations of any other Manager under this Agreement and shall be without liability of any party to the other parties hereto, except that the provisions of Sections 2, 3(i), 5, 7(d), and 7(f) of this Agreement shall remain in full force and effect with respect to such Manager notwithstanding such termination. In the case of any purchase by any Manager pursuant to a Terms Agreement, such Manager may, by written notice to the Company, terminate its obligations pursuant to such Terms Agreement at any time prior to or on the Settlement Date if, since the time of execution of the Terms Agreement or the respective dates as of which information is given in the Registration Statement and the Prospectus:

(i) trading of the Common Units of the Company shall have been suspended on any exchange or in any over-the-counter market;

(ii) trading generally shall have been suspended or materially limited on or by, as the case may be, the "**national securities exchange**" (as defined in the Exchange Act) on which the Common Units are then traded, or minimum or maximum prices shall have been generally established on any such exchange, by any such exchange or by order of the Commission or any court or other governmental authority;

(iii) a general banking moratorium shall have been declared by any of Federal, New York, or Delaware authorities;

(iv) the United States shall have become engaged in new hostilities, there shall have been an escalation in hostilities involving the United States or there shall have been a declaration of a national emergency or war by the United States or there shall have occurred such a material adverse change in general economic, political, or financial conditions, including, without limitation, as a result of terrorist activities after the date hereof (or the effect of

international conditions on the financial markets in the United States shall be such), or any other calamity or crisis shall have occurred, the effect of any of which is such as to make it impracticable or inadvisable to market the Units on the terms and in the manner contemplated by the Prospectus; or

(v) if there shall have been a Material Adverse Effect.

(c) This Agreement shall remain in full force and effect until the earliest to occur of (i) termination of the Agreement pursuant to subsection (a) above or otherwise by mutual written agreement of all of the parties, (ii) the termination of the obligations of each Manager pursuant to subsection (b) above, and (iii) such date that the aggregate gross sales proceeds of the Units sold pursuant to this Agreement (including, without limitation, one or more Terms Agreements pursuant hereto) equals the Maximum Amount, in each case except that the provisions of Sections 2, 3(i), 5, 7(d), and 7(f) of this Agreement shall remain in full force and effect notwithstanding such termination.

(d) Any termination of this Agreement shall be effective on the date specified in the notice of termination; *provided* that such termination shall not be effective until the close of business on the date of receipt of such notice by the Managers or the Company, as the case may be. If such termination shall occur prior to the Settlement Date for any sale of Units, such sale shall settle in accordance with the provisions of Section 1 (in the case of an Agency Transaction) or in accordance with the relevant Terms Agreement (in the case of a Principal Transaction).

As of the date hereof (and prior to the issuance of the Units as contemplated by the Distribution Agreement), the Managing Member has a non-economic managing member interest in the Company; such managing member interest has been duly authorized and validly issued in accordance with the Operating Agreement; and the Managing Member owns its managing member interest free and clear of all liens, encumbrances, security interests or claims (collectively, "Liens") in respect of which a financing statement under the Uniform Commercial Code of the State of Delaware naming the Managing Member as a debtor is on file in the office of the Secretary of State of the State of Delaware.

4. The Units to be sold by the Company and the limited liability company interests represented thereby have been duly authorized by the Company and, when issued and delivered by the Company against payment of the consideration therefor in accordance with the terms of the Distribution Agreement, will be validly issued and, under the Delaware LLC Act, purchasers of the Units have no obligation to make further payments for their purchase of the Units or contributions to the Company solely by reason of their ownership of the Units or their status as members of the Company, except for their obligation to repay any funds wrongfully distributed to them or as they otherwise may have agreed.

Neither the filing of the Registration Statement nor the offering or sale of the Units as contemplated by the Distribution Agreement gives rise to any rights for or relating to the registration of any Common Units or other securities of the Company pursuant to any agreements or instruments listed as an exhibit to the Registration Statement other than as described in the Registration Statement and the Prospectus, as set forth in the Operating Agreement or as have been waived.

9. None of the offering, issuance and sale by the Company of the Units, the execution, delivery and performance of the Distribution Agreement by the Company, or the consummation of the transactions contemplated by the Distribution Agreement (i) constitutes or will constitute a violation of the Organizational Documents of any of the EnLink Midstream Covered Entities, (ii) constitutes or will constitute a breach or violation of, or a default (or an event which, with notice or lapse of time or both, would constitute such a default) under any agreement filed or incorporated by reference as an exhibit to the Registration Statement (the "Specified Agreements") or (iii) violates or will violate the Delaware LP Act, the Delaware LLC Act, the laws of the State of Texas or the federal laws of the United States of America (*provided* that we do not express any opinion with respect to compliance with any state securities or federal or state antifraud law), which breaches, violations or defaults, in the case of clauses (ii) or (iii), would, individually or in the aggregate, have a Material Adverse Effect.

10. No permit, consent, approval, authorization, order, registration, filing or qualification ("consent") under the Delaware LP Act, the Delaware LLC Act, the federal law of the United States of America or the laws of the state of Texas is required in connection with the

11. The Registration Statement became effective under the Securities Act automatically upon the filing thereof with the Commission on February 22, 2019, and any required filing of the Prospectus pursuant to Rule 424(b) has been made in the manner and within the time period required by such Rule. To our knowledge, no stop order suspending the effectiveness of the Registration Statement has been issued and no proceeding for such purpose has been instituted or threatened by the Commission.

12. The statements in the Registration Statement and the Prospectus under the captions “Description of the Common Units” and “Description of Our Operating Agreement,” insofar as they constitute descriptions of agreements or refer to statements of law or legal conclusions, are accurate in all material respects; and the Common Units conform in all material respects to the descriptions thereof contained in the Registration Statement and the Prospectus under the captions “Summary—The Offering,” “Description of the Common Units,” and “Description of Our Operating Agreement.”

13. The statements in the Registration Statement and the Prospectus under the caption “Material U.S. Federal Income Tax Considerations” insofar as they purport to constitute summaries of statutes, legal, governmental and regulatory proceedings, are accurate in all material respects.

14. None of the EnLink Midstream Entities is an “investment company” as such term is defined in the Investment Company Act of 1940, as amended.

We have reviewed the Registration Statement and the Prospectus and have participated in conferences with officers and other representatives of the Managing Member, with representatives of the Company’s independent registered public accounting firm and with your representatives and your counsel, at which the contents of the Registration Statement, the Prospectus and related matters were discussed. The purpose of our professional engagement was not to establish or confirm factual matters set forth in the Registration Statement or the Prospectus, and we have not undertaken to verify independently any of the factual matters in such documents. Moreover, many of the determinations required to be made in the preparation of the Registration Statement and the Prospectus involve matters of a non-legal nature. Accordingly, we are not passing upon, and do not assume any responsibility for, the accuracy, completeness or fairness of the statements contained or included in the Registration Statement and the Prospectus (except to the extent stated in paragraphs 12 and 13 above). Subject to the foregoing and on the basis of the information we gained in the course of performing the services referred to above, we advise you that:

(a) the Registration Statement, as of the latest Effective Date, and the Prospectus, as of its date and the date hereof, appear on their face to be appropriately responsive in all material

respects to the requirements of the Securities Act and the Rules and Regulations of the Commission thereunder; and

(b) nothing came to our attention that caused us to believe that:

(2) the Prospectus, as of its date or as of the date hereof, included or includes an untrue statement of a material fact or omitted or omits to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading;

it being understood that in each case we have not been asked to, and do not, express any belief with respect to (a) the financial statements and schedules or other financial or accounting information contained or included or incorporated by reference therein or omitted therefrom, or (b) representations and warranties and other statements of fact contained in the exhibits to the Registration Statement or to documents incorporated by reference therein. We refer to the registration statement on Form S-3, as amended (Registration Statement No. 333-229806), with respect to the Common Units being sold by the Company (the "Registration Statement"), as filed by the Company with the Securities and Exchange Commission (the "Commission") under the Securities Act of 1933, as amended (the "Securities Act"). The prospectus supplement dated February 22, 2019, which together with the accompanying prospectus dated February 22, 2019 (collectively, the "Prospectus") filed with the Registration Statement, has been filed pursuant to Rule 424(b) promulgated under the Securities Act.

In our capacity as your counsel in connection with the filing referred to above and as a basis for the opinions herein after expressed, we have examined (i) the Registration Statement and the Prospectus, (ii) Second Amended and Restated Operating Agreement of the Company (the "Operating Agreement") and the Certificate of Formation of the Company, each as amended to the date hereof, (iii) the Second Amended and Restated Limited Liability Company Agreement of EnLink Midstream Manager, LLC, a Delaware limited liability company and the managing member of the Company (the "Managing Member"), and the Certificate of Formation of the Managing Member, each as amended to the date hereof, (iv) the Delaware Limited Liability Company Act (the "Delaware LLC Act"), (v) originals, or copies certified or otherwise identified, of the limited liability company records of the Company and the Managing Member, as furnished to us by the Managing Member, (vi) originals, or copies certified or otherwise identified, of certificates of public officials and of representatives of the Company and the Managing Member and (vii) statutes and other instruments and documents as we deemed necessary or advisable for the opinions hereafter expressed.

In making our examination, we have assumed that all signatures on documents examined by us are genuine, all documents submitted to us as originals are authentic and complete and all documents submitted to us as copies are true and correct copies of the originals thereof and that all information submitted to us was accurate and complete. We have also assumed that all Common Units will be issued and sold in the manner set forth in the Prospectus and the Distribution Agreement and that certificates for the Common Units, if any, will be duly countersigned, registered and electronically transmitted by the transfer agent and registrar for the Company, or, if uncertificated, valid book-entry notations will have been made in the unit register of the Company in accordance with the provisions of the governing documents of the Company.

Based upon the foregoing and subject to the assumptions, limitations and qualifications set forth herein, we are of the opinion that the Common Units have been duly authorized and, when issued and delivered by the Company against payment therefor in accordance with the Distribution Agreement and as described in the Registration Statement, will be validly issued in accordance with the Operating Agreement and, under the Delaware LLC Act, purchasers of the Common Units will have no obligation to make further payments for their purchase of the Common Units or contributions to the Company solely by reason of their ownership of the Common Units or their status as members of the Company, except for their obligation to repay any funds wrongfully distributed to them or as they otherwise may have agreed.

The opinion set forth above is limited in all respects to matters of the Delaware LLC Act and applicable reported judicial decisions, rules and regulations interpreting and implementing those laws, and the federal laws of the United States of America, in each case as in effect on the date hereof. We express no opinion as to the effect of the laws of any other jurisdiction.

We hereby consent to the filing of this opinion of counsel as Exhibit 5.1 to the Company's Current Report on Form 8-K filed on the date hereof. We also consent to the reference to our Firm under the heading "Legal Matters" in the Prospectus forming a part of the Registration Statement. In giving this consent, we do not hereby admit that we are within the category of persons whose consent is required under Section 7 of the Securities Act or the rules and regulations of the Commission thereunder.

Very truly yours,

/s/ Baker Botts L.L.P.
