Item 1.01. Entry into a Material Definitive Agreement.

On January 16, 2024, EnLink Midstream, LLC (the "Company") and each of GIP III Stetson I, L.P. and GIP III Stetson II, L.P. (together "GIP Entities"), the holders of approximately 46.2%, in the aggregate, of the outstanding common units of the Company (the "Common Units") and, in the case of GIP III Stetson I, L.P., the owner of all of the equity interests in EnLink Midstream Manager, LLC, the managing member of the Company (the "Manager"), entered into a Unit Repurchase Agreement (the "Repurchase Agreement") pursuant to which the Company agreed to repurchase, on a quarterly basis, a number of Common Units held by the GIP Entities (the "GIP Units") based upon the number of Common Units repurchased from public unitholders by the Company during the applicable quarter, beginning with the quarter ending March 31, 2024, as described below. The Repurchase Agreement is substantially similar to the repurchase agreement entered into by the Company and the GIP Entities on December 20, 2022, which provided for proportional repurchases by the Company of GIP Units during 2023, and which agreement terminated as of December 31, 2023 in accordance with its terms.

Under the Repurchase Agreement, following each fiscal quarter beginning with the quarter ending March 31, 2024, the Company will repurchase from the GIP Entities a number of GIP Units equal to (i) the aggregate number of Common Units repurchased by the Company in the open market during such quarter, multiplied by (ii) a percentage such that the GIP Entities' then-existing economic ownership percentage of outstanding Common Units is maintained after the open market repurchases are taken into account. The initial percentage will be adjusted each quarter, as necessary, so that the GIP Entities' economic ownership interest will remain the same after giving effect to the open market repurchases. The per unit price the Company will pay for the GIP Units will be the average per unit price paid by the Company for the Common Units repurchased from public unitholders during the applicable quarter.

The repurchase of GIP Units by the Company will occur one business day before the Company's reporting of earnings for such quarter. The Company will disclose in its periodic reports filed with the Commission the number of GIP Units purchased by the Company with respect to each quarter.

The Repurchase Agreement will renew for successive one-year terms (each, a "Renewal Year") on January 1 of each Renewal Year, with the first Renewal Year beginning on January 1, 2025, unless either the Company or the GIP Entities elects to terminate the Repurchase Agreement prior to the start of any Renewal Year, during a two-

week period in December preceding the applicable Renewal Year. The Repurchase Agreement may also be terminated at any time by either the Company or the GIP Entities upon 10 days' written notice to the other party or upon the mutual agreement of the parties thereto. The terms of the Repurchase Agreement were unanimously approved by the Manager's Board of Directors (the "Board") and, based upon the related party nature of the Repurchase Agreement with the GIP Entities, the Conflicts Committee of the Board.

The foregoing description of the Repurchase Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the Repurchase Agreement, a copy of which is filed as Exhibit 10.1 to this report and is incorporated herein by reference.

Section 3.1 **Organization**. Such GIP Party is a limited partnership duly formed, validly existing and in good standing under the Laws of the State of Delaware.

Section 3.2 **Authorization**. Such GIP Party has all requisite limited partnership power and authority to execute, deliver, and perform each Transaction Document to which it is a party. The execution, delivery, and performance by such GIP Party of the Transaction Documents to which it is a party and the consummation by such GIP Party of the transactions contemplated hereby and thereby, have been duly authorized by all necessary limited partnership or limited liability company action, as the case may be. Each Transaction Document executed or to be executed by such GIP Party has been, or when executed will be, duly executed and delivered by such GIP Party and, assuming the execution and delivery by the other parties thereto, constitutes, or when executed and delivered by the other parties thereto will constitute, a valid and legally binding obligation of such GIP Party, enforceable against such GIP Party in accordance with its terms, except to the extent that such enforceability may be limited by (a) applicable bankruptcy, insolvency, reorganization, moratorium, fraudulent conveyance, or other similar Applicable Laws affecting creditors’ rights and remedies generally and (b) equitable principles that may limit the availability of certain equitable remedies (such as specific performance) in certain instances (the “Enforceability Exceptions”).

5

Section 3.3 **No Conflicts or Violations**. The execution, delivery, and performance of each of the Transaction Documents to which such GIP Party is a party, and the consummation of the transactions contemplated hereby and thereby, do not: (a) violate or conflict with any provision of the organizational documents of such GIP Party; (b) violate any Law applicable to such GIP Party; (c) violate, result in a breach of, constitute (with due notice or lapse of time or both) a default or cause any obligation, penalty or premium to arise or accrue under any Contract to which such GIP Party is a party; or (d) result in the creation or imposition of any Lien upon any of the properties or assets of such GIP Party, except, in the case of clauses (b) through (d), as would not, individually or in the aggregate, reasonably be expected to materially impede the ability of such GIP Party to consummate any of the transactions contemplated by this Agreement.

Section 3.4 **Consents and Approvals**. Except (a) as would not, individually or in the aggregate, reasonably be expected to materially impede the ability of such GIP Party to consummate any of the transactions contemplated hereby, or (b) for any filings required for compliance with any applicable requirements of the federal securities Laws, any applicable state or other local securities Laws and any applicable requirements of a national securities exchange, neither the execution and delivery by such GIP Party of any of the Transaction Documents to which such GIP Party is a party, nor the performance by such GIP Party of its respective obligations thereunder, requires the consent, approval, waiver or authorization of, or declaration, filing, registration or qualification with any Governmental Authority by such GIP Party.

Section 3.5 **Ownership of Common Units**. As of the date hereof, GIP Stetson I and GIP Stetson II are the record and beneficial owners of 101,295,177 and 107,470,034 Common Units, respectively, and prior to giving effect to the sale and transfer of the Quarterly Repurchase Units on each Quarterly Closing Date, each of GIP Stetson I and GIP Stetson II shall be, the record and beneficial owner of all the Quarterly Repurchase Units to be delivered to the Company, with each GIP Party having the full power to sell and transfer to the Company all such Quarterly Repurchase Units. On each Quarterly Closing Date, such GIP Parties shall deliver the applicable Quarterly Repurchase Units to the Company, free and clear of all Liens (other than as imposed by applicable securities laws or by the Company Agreement). None of the Quarterly Repurchase Units is subject to any voting trust or other contract, agreement, arrangement, commitment or understanding, written or oral, restricting or otherwise relating to the voting or disposition of the Quarterly Repurchase Units, other than this Agreement and the organizational documents or other voting arrangements among the GIP Parties. No proxies or powers of attorney have been granted with respect to the Quarterly Repurchase Units to be delivered by such GIP Parties to the Company. Except as contemplated by this Agreement, there are no outstanding warrants, options, agreements, convertible or exchangeable securities or other commitments pursuant to which such GIP Party is or may become obligated to transfer any of the Quarterly Repurchase Units, except as (a) would not reasonably be expected to impair the ability of such GIP Party to deliver the applicable Quarterly Repurchase Units to the Company as contemplated by this Agreement and (b) would not apply to the Quarterly Repurchase Units following the delivery of the Quarterly Repurchase Units to the Company pursuant to this Agreement.

Section 3.6 **Litigation**. There is no Proceeding pending or, to the knowledge of such GIP Party, threatened against such GIP Party, or against any officer, manager or director of such GIP Party, in each case related to the Quarterly Repurchase Units to be delivered by such GIP Party to the Company or the transactions contemplated hereby. Such GIP Party (i) is a sophisticated seller with respect to the GIP Units and has sufficient knowledge, including but not limited to knowledge of the Company, and expertise, including with respect to investments in and dispositions of securities issued by the Company and comparable entities, to evaluate the business and financial condition of the Company and its subsidiaries and the merits and risks of the sale of the GIP Units, (ii) has had sufficient opportunity and time to investigate and review the business, management and financial affairs of the Company, and it has conducted, to its satisfaction, its own independent investigation, before its decision to enter into this Agreement, and further has had the opportunity to consult with all advisers it deems appropriate or necessary to consult with in connection with this Agreement and any action arising hereunder, including investment, legal, tax and accounting advisers and (iii) acknowledges and understands that the Company may, as of the Effective Date or as of any Quarterly Closing Date, possess or have access to material nonpublic information regarding the Company and the Common Units not known to GIP that may affect the value of the GIP Units and that the Company is or may be unable to disclose such information. Such GIP Party acknowledges that, in connection with its entry into this Agreement and consummation of the transactions contemplated hereby, it has not relied on any express or implied representations or warranties of any nature, oral or written, made by or on behalf of the Company or any of its managers, directors, officers, Affiliates or representatives, except for the representations or warranties of the Company set forth in Article IV.

Each Transaction Document executed or to be executed by the Company has been, or when executed will be, duly executed and delivered by the Company and, assuming the execution and delivery by the other parties thereto, constitutes, or when executed and delivered by the other parties thereto will constitute, a valid and legally binding obligation of the Company, enforceable against the Company in accordance with its terms, except to the extent that such enforceability may be limited by the Enforceability Exceptions.

7

Section 4.3 **No Conflicts or Violations.** The execution, delivery, and performance of each of the Transaction Documents to which the Company is a party, and the consummation of the transactions contemplated hereby and thereby, do not: (a) violate or conflict with any provision of the organizational documents of the Company; (b) violate any Law applicable to the Company; (c) violate, result in a breach of, constitute (with due notice or lapse of time or both) a default or cause any obligation, penalty or premium to arise or accrue under any Contract to which the Company is a party; or (d) result in the creation or imposition of any Lien upon any of the properties or assets of the Company, except, in the case of clauses (b) through (d), as would not, individually or in the aggregate, reasonably be expected to materially impede the ability of the Company to consummate any of the transactions contemplated by this Agreement.

Section 4.4 **Consents and Approvals.** Except (a) as would not, individually or in the aggregate, reasonably be expected to materially impede the ability of the Company to consummate any of the transactions contemplated hereby, or (b) for any filings required for compliance with any applicable requirements of the federal securities Laws, any applicable state or other local securities Laws and any applicable requirements of a national securities exchange, neither the execution and delivery by the Company of any of the Transaction Documents to which the Company is a party, nor the performance by the Company of its respective obligations thereunder, requires the consent, approval, waiver, or authorization of, or declaration, filing, registration, or qualification with any Governmental Authority by the Company.

Section 4.5 **Litigation.** There is no Proceeding pending or, to the knowledge of the Company, threatened against the Company, or against any officer, manager or director of the Company, in each case related to the Quarterly Repurchase Units to be delivered by the GIP Parties to the Company or the transactions contemplated hereby. The Company is not a party or subject to any order, writ, injunction, judgment or decree of any court or Governmental Authority relating to the Quarterly Repurchase Units to be delivered by the GIP Parties to the Company or the transactions contemplated by this Agreement.

Section 4.6 **Brokers and Finders.** No investment banker, broker, finder, financial advisor or other intermediary is entitled to any broker's, finder's, financial advisor's or other similar based fee or commission in connection with the transactions contemplated hereby as a result of being engaged by the Company or any of its Affiliates.

Section 4.7 **Acknowledgments.** The Company acknowledges that it has not relied on any advice or recommendation by the GIP Parties or their respective partners, directors, officers, agents or affiliates with respect to the Company's decision to enter into this Agreement and to consummate the transactions contemplated hereby. The Company has had the opportunity to consult with all advisers it deems appropriate or necessary to consult with in connection with this agreement and any action arising hereunder. Section 7.1 All representations and warranties of the Parties contained in this Agreement shall terminate as of each Quarterly Closing Date in respect of the Quarterly Repurchase Units delivered by the GIP Parties to the Company as of such Quarterly Closing Date.

Section 7.2 All covenants and agreements of the Parties contemplated to be performed prior to each Quarterly Closing Date shall terminate as of such Quarterly Closing Date in respect of the Quarterly Repurchase Units delivered by the GIP Parties to the Company as of such Quarterly Closing Date.

Section 7.3 All covenants and agreements of the Parties contemplated to be performed following each Quarterly Closing Date shall survive such Quarterly Closing Date until performed in accordance with their respective terms.

Section 7.4 Regardless of any purported general termination of this Agreement, the provisions of Sections 6.2 and Article 8 shall remain operative and in full force and effect as between the Company and each GIP Party, unless the Company and each GIP Party execute a writing that expressly terminates such rights and obligations as between the Company and each GIP Party.

ARTICLE VIII MISCELLANEOUS

Section 8.1 **Headings; References; Interpretation.** All Article and Section headings in this Agreement are for convenience only and shall not be deemed to control or affect the meaning or construction of any of the provisions hereof. The words “hereof,” “herein” and “hereunder” and words of similar import, when used in this Agreement, shall refer to this Agreement as a whole, and not to any particular provision of this Agreement. All references herein to Articles and Sections shall, unless the context requires a different construction, be deemed to be references to the Articles and Sections of this Agreement. All personal pronouns used in this Agreement, whether used in the masculine, feminine or neuter gender, shall include all other genders, and the singular shall include the plural and vice versa. The use herein of the word “including” following any general statement, term or matter shall not be construed to limit such statement, term or matter to the specific items or matters set forth immediately following such word or to similar items or matters, whether or not non-limiting language (such as “without limitation,” “but not limited to” or other words of similar import) is used with reference thereto, but rather shall be deemed to refer to all other items or matters that could reasonably fall within the broadest possible scope of such general statement, term or matter.

Section 8.2 **No Third-Party Rights.** The provisions of this Agreement are intended to bind the Parties as to each other and are not intended to, and do not, create rights in any other Person or confer upon any other Person any benefits, rights or remedies, and no Person is or is intended to be a third-party beneficiary of any of the provisions of this Agreement. Without limiting the generality of the foregoing, the Parties agree that their respective representations, warranties and covenants set forth in this Agreement are the product of negotiations among the Parties and are for the sole benefit of the Parties, in accordance with and subject to the terms of this Agreement, and no other Person has the right to rely upon the representations and warranties, or the right to enforce any covenants, set forth herein. Any inaccuracies in such representations and warranties are subject to waiver by the Parties in accordance with Section 8.6 without notice or liability to any other Person. In some instances, the representations and warranties in this Agreement may represent an allocation among the Parties of risks associated with particular matters regardless of the knowledge of any of the Parties. Consequently, Persons other than the Parties may not rely upon the representations and warranties in this Agreement as characterizations of actual facts or circumstances as of the date of this Agreement or as of any other date.

Section 8.3 **Successors and Assigns.** This Agreement shall be binding upon and inure to the benefit of the Parties and their respective successors and assigns. No Party may assign, in whole or in part, either this Agreement or any of its rights, interests or obligations hereunder without the prior written approval of the other Parties.

Section 8.5 **Severability.** Whenever possible, each provision of this Agreement shall be interpreted in such manner as to be valid and effective under Applicable Law, but if any provision of this Agreement or the application of any such provision to any Person or circumstance shall be held invalid, illegal or unenforceable in any respect by a court of competent jurisdiction, such invalidity, illegality or unenforceability shall not affect any other provision hereof, and the Parties shall negotiate in good faith with a view to substitute for such provision a suitable and equitable solution in order to carry out, so far as may be valid and enforceable, the intent and purpose of such invalid, illegal or unenforceable provision.

Section 8.6 **Amendment or Modification; Waiver.** This Agreement may be amended, supplemented or modified from time to time only by the written agreement of all the Parties. Each such instrument shall be reduced to writing and shall be designated on its face as an amendment to this Agreement. Any extension or waiver of the obligations herein of any Party shall be valid only if set forth in an instrument in writing referring to this section and executed by the Party to be bound thereby. Any waiver of any term or condition shall not be construed as a waiver of any subsequent breach or a subsequent waiver of the same term or condition, or a waiver of any other term or condition, of this Agreement. The failure of any Party to assert any of its rights hereunder shall not constitute a waiver of any of such rights.

Section 8.7 **Integration.** This Agreement, each of the other Transaction Documents and each of the other instruments referenced herein and therein and in the exhibits attached hereto supersede all previous understandings or agreements among the Parties, whether oral or written, with respect to the subject matter of this Agreement, each of the other Transaction Documents and such other instruments. This Agreement, each of the other Transaction Documents and each of the other instruments referenced herein or therein contain the entire understanding of the Parties with respect to the subject matter hereof and thereof. There are no unwritten oral agreements between the parties. No understanding, representation, promise or agreement, whether oral or written, is intended to be or shall be included in or form part of this Agreement unless it is contained in a written amendment hereto executed by the Parties after the date of this Agreement.

Section 8.8 **Expenses.** Except as otherwise provided in this Agreement, each of the Parties will bear and pay all other costs and expenses incurred by it or on its behalf in connection with the transactions contemplated pursuant to this Agreement.

Section 8.9 **Applicable Law.** This Agreement shall be construed in accordance with and governed by the Laws of the State of Delaware, without regard to the principles of conflicts of law. EACH OF THE PARTIES AGREES THAT THIS AGREEMENT INVOLVES AT LEAST U.S. \$100,000.00 AND THAT THIS AGREEMENT HAS BEEN ENTERED INTO IN EXPRESS RELIANCE UPON 6 Del. C. § 2708. EACH OF THE PARTIES IRREVOCABLY AND UNCONDITIONALLY AGREES (a) TO BE SUBJECT TO THE JURISDICTION OF THE COURTS OF THE STATE OF DELAWARE AND OF THE FEDERAL COURTS SITTING IN THE STATE OF DELAWARE, AND (b) TO THE EXTENT SUCH PARTY IS NOT OTHERWISE SUBJECT TO SERVICE OF PROCESS IN THE STATE OF DELAWARE, TO APPOINT AND MAINTAIN AN AGENT IN THE STATE OF DELAWARE AS SUCH PARTY'S AGENT FOR ACCEPTANCE OF LEGAL PROCESS AND TO NOTIFY THE OTHER PARTIES OF THE NAME AND ADDRESS OF SUCH AGENT.

Section 8.10 **Specific Performance.** The Parties agree that irreparable damage would occur and that there would be no adequate remedy at Law in the event that any of the provisions of this Agreement were not performed prior to termination of this Agreement in accordance with their specific terms or were otherwise breached. It is accordingly agreed that the Parties shall be entitled to an injunction or injunctions to prevent breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement in the Court of Chancery of the State of Delaware without bond or other security being required, this being in addition to any other remedy to which they are entitled at law or in equity.

12

Section 8.11 **Withholding.** All payments and distributions under this Agreement shall be subject to withholding and backup withholding of tax to the extent required by Applicable Law, and amounts withheld, if any, shall be treated as received by the GIP Parties. The Company shall notify each GIP Party if it intends to withhold, pursuant to this [Section 8.11](#), any amounts payable to such GIP Party.

Section 8.12 **No Presumption Against Drafting Party.** Each of the Parties acknowledge that it has been represented by counsel in connection with this Agreement and the transactions contemplated by this Agreement. Accordingly, any rule of law or any legal decision that would require interpretation of any claimed ambiguities in this Agreement against the drafting party has no application and is expressly waived.

Section 8.13 **Counterparts.** This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, and all of which, when taken together, shall be deemed one agreement. The exchange of copies of this Agreement and of signature pages by facsimile or electronically including by PDF transmission shall constitute effective execution and delivery of this Agreement for all purposes. Signatures of the Parties hereto transmitted by facsimile or electronically including by PDF transmission shall be deemed to be their original signatures for all purposes. The words "execution," "signed," "signature" and words of like import in this Agreement or in any other certificate, agreement or document related to this Agreement shall include images of manually executed signatures transmitted by facsimile or other electronic format (including "pdf," "tif" or "jpg") and other electronic signatures (including DocuSign and AdobeSign). The use of electronic signatures and electronic records (including any contract or other record created, generated, sent, communicated, received or stored by electronic means) shall be of the same legal effect, validity and enforceability as a manually executed signature or use of a paper-based record-keeping system to the fullest extent permitted by applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the Delaware Uniform Electronic Transactions Act, the New York State Electronic Signatures and Records Act, and any other applicable law.
