Item 3. Source and Amount of Funds or Other Consideration

On March 7, 2014, Devon completed the previously announced combination of substantially all of its U.S. midstream business with Crosstex Energy, Inc., a Delaware corporation (“Crosstex”) and Crosstex Energy, L.P., a Delaware limited partnership pursuant to (i) an Agreement and Plan of Merger, dated October 21, 2013 (the “Merger Agreement”) by and between Devon, Devon Gas, Acacia Natural Gas Corp I, Inc., a Delaware corporation and an indirect wholly-owned subsidiary of Devon (“New Acacia”), Crosstex, EnLink Midstream, Boomer Merger Sub, Inc., a Delaware corporation and a wholly-owned subsidiary of EnLink Midstream (“Devon Merger Sub”), and Rangers Merger Sub, Inc., a Delaware corporation and a wholly-owned subsidiary of EnLink Midstream (“Crosstex Merger Sub”) and (ii) a Contribution Agreement (as such term is defined in the Merger Agreement).

On March 7, 2014, pursuant to the terms of the Merger Agreement, Crosstex Merger Sub merged with and into Crosstex, with Crosstex surviving and becoming a wholly-owned subsidiary of EnLink Midstream (the “Crosstex Merger”), and Devon Merger Sub merged with and into New Acacia, with New Acacia surviving and becoming a wholly-owned subsidiary of EnLink Midstream (the “Devon Merger,” and together with the Crosstex Merger, the “Mergers”). At the effective time and as a result of the Crosstex Merger, each share of common stock of Crosstex, issued and outstanding immediately prior to the effective time of the Crosstex Merger was converted into and became exchangeable for one common unit of EnLink Midstream and received a pro rata cash distribution calculated by dividing \$100 million by the number of Crosstex shares issued and outstanding immediately prior to the effective time. At the effective time and as a result of the Devon Merger, the sole issued and outstanding share of common stock of New Acacia was converted into the right to receive 115,495,669 Class B Units, which were issued to Devon Gas Services on March 7, 2014, in reliance upon an exemption from the registration requirements of the Securities Act of 1933, as amended (the “Securities Act”), under Section 4(2) of the Securities Act.

The \$100 million in cash used to fund the distribution to former Crosstex stockholders was contributed to EnLink Midstream by Devon and funded through cash on hand.

New Acacia holds a 50% limited partner interest in EnLink Midstream Holdings, LP (“EnLink Midstream Holdings”), an entity formed by Devon to hold substantially all of its U.S. midstream business and be combined with the business of Crosstex and its subsidiaries in connection with the Mergers and related transaction.

References to, and descriptions of, the Mergers and the Merger Agreement as set forth herein are qualified in their entirety by reference to the copy of the Merger Agreement included as Exhibit 1 to this Schedule 13D, and such agreement is incorporated by reference herein in its entirety where such references and descriptions appear.

Item 4. Purpose of Transaction

The information set forth or incorporated in Item 3 and Item 6 are incorporated herein by reference.

The Reporting Persons acquired the units reported herein solely for investment purposes as partial consideration for the contribution of EnLink Midstream Holdings to Crosstex and its subsidiary. The Reporting Persons may make additional purchases of Common Units either in the open market or in private transactions depending on the Reporting Person's business, prospects and financial condition, the market for the Common Units, general economic conditions, stock market conditions and other future developments.

(a) The Class B Units held by the Reporting Persons will automatically convert into Common Units on a one-to-one basis on the first business day following the record date for the distribution payable with respect to the quarter ending March 31, 2014.

(b) None.

(c) None.

(d) In connection with the March 7, 2014 transactions, John Richels, Barry E. Davis, Thomas L. Mitchell, David A. Hager, Darryl G. Smette, Mary P. Ricciardello, James C. Crain, Leldon E. Echols and Rolf A. Gafvert were each appointed to the board of directors (the "Board") of EnLink Midstream's managing member (the "Managing Member"). Five members of the Board, including John Richels, the chairman of the Board, David Hager, Thomas Mitchell, Darryl Smette and Mary P. Ricciardello, are officers or directors of Devon and may have conflicts of interest. Additionally, the following persons were appointed as executive officers of the Managing Member: (i) Barry E. Davis (President and Chief Executive Officer), (ii) Michael J. Garberding (Executive Vice President and Chief Financial Officer), (iii) Joe A. Davis (Executive Vice President, General Counsel and Secretary), (iv) Steve J. Hoppe (Executive Vice President and Head of Gathering, Processing and Transportation Business) and (v) McMillan (Mac) Hummel (Executive Vice President and Head of Natural Gas Liquids and Crude Oil Business). Neither the Managing Member nor its board of directors will be elected by the Issuer's unitholders. Through its indirect ownership of 100% of the equity interests of Devon Gas Services, which owns 100% of the equity interest in the Managing Member, Devon will have the ability to elect all the members of the board of directors of the Managing Member, subject to certain restrictions set forth in the First Amended and Restated Limited Liability Company Agreement of the Managing Member (the "Managing Member LLC Agreement") with respect to the removal and replacement of the three designated continuing directors for the period that commenced as of the closing of the Mergers until the third anniversary thereof. The Reporting Persons, however, have no current intention of changing the board of directors or management of the Managing Member.

(e) The Reporting Persons, as direct and indirect owners of the Managing Member of the Issuer, may cause the Issuer to change its dividend policy or its capitalization, through the issuance of debt or equity securities, from time to time in the future. The Reporting Persons, however, have no current intention of changing the present capitalization or dividend policy of the Issuer.

(f) None.

(g) As part of the March 7, 2014 transactions, the Managing Member amended and restated EnLink Midstream's operating agreement pursuant to the First Amended and Restated Operating Agreement of EnLink Midstream (the "Operating Agreement"), which is incorporated in its entirety in this Item 4. References to, and descriptions of, the Operating Agreement as set forth herein are qualified in their entirety by reference to the copy of the Operating Agreement included as Exhibit 2 to this Schedule 13D, and such agreement is incorporated by reference herein in its entirety where such references and descriptions appear.

Except as set forth in this Schedule 13D and the Merger Agreement, the Reporting Persons have no present plans which relate to or would result in any of the actions specified in clauses (a) through (j) of Item 4 of Schedule 13D. The Reporting Persons may change their plans or proposals in the future. In determining from time to time whether to sell the Common Units reported as beneficially owned in this statement (and in what amounts) or to retain such securities, the Reporting Persons will take into consideration such factors as they deem relevant, including the business and prospects of the Issuer, anticipated future developments concerning the Issuer, existing and anticipated market conditions from time to time, general economic conditions, regulatory matters and other opportunities available to the Reporting Persons. The Reporting Persons reserve the right to acquire additional securities of the Issuer in the open market, in privately negotiated transactions (which may be with the Issuer or with third parties) or otherwise, to dispose of all or a portion of their holdings of securities of the Issuer or to change their intention with respect to any or all of the matters referred to in this Item 4.

Item 5. Interest in Securities of the Issuer

(a) – (b) Approximately 163,968,427 Common Units and Class B Units of the Issuer were outstanding as of March 7, 2014. The Reporting Persons are each deemed to be the beneficial owners of 115,495,669 Common Units. The Common Units owned by the Reporting Persons constitute approximately 70.4% of the total issued and outstanding Common Units. The Reporting Persons each share power to vote and dispose of such Common Units. To the knowledge of the Reporting Persons, no executive officer or manager of the Reporting Persons or other party listed on Appendix A has sole or shared beneficial ownership of any Common Units beneficially owned by the Reporting Persons.

(c) There have been no reportable transactions with respect to the Common Units within the last 60 days by the Reporting Persons, except as described in Item 3 above.

(d) To the knowledge of the Reporting Persons, no person, other than the Reporting Persons, has the right to receive or the power to direct the receipt of dividends from, or the proceeds from the sale of, the Common Units described in this Item 5.

(e) Not applicable.

Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer

The Operating Agreement contains various provisions with respect to the Common Units governing, among other matters, voting, distributions and transfers, as well as the Managing Member's limited call right with respect to the Class B Units and the Common Units.

Under the Managing Member LLC Agreement, Devon Gas Services, as the sole member of the Managing Member, has the ability to cause the election of the members of the Board of the Managing Member.

In connection with the closing of the Mergers, on March 7, 2014, EnLink Midstream entered into a Registration Rights Agreement (the "Registration Rights Agreement") with Devon Gas Services, relating to the Class B Units issued to Devon Gas Services as described in Item 3 above. Pursuant to the Registration Rights Agreement, EnLink Midstream has agreed to prepare and file a shelf registration statement as soon as reasonably practicable following the written request of Devon Gas Services with respect to the Common Units to be issued to Devon Gas Services upon conversion of the Class B Units and to use its reasonable best efforts to cause such registration statement to be effective, supplemented, amended or replaced until such Common Units have been sold pursuant to (a) an effective registration statement, (b) Rule 144, in a sale where the transferee does not receive restricted securities, or (c) a private transaction in which the registration rights are not assigned to the transferee, or until the Common Units otherwise cease to be outstanding. The Registration Rights Agreement also provides certain customary piggyback rights. In the Registration Rights Agreement, EnLink Midstream has agreed to indemnify Participating Unitholders (as defined in the Registration Rights Agreement) that elect to dispose of their registered Common Units in an underwritten offering against certain liabilities, including liabilities under the Securities Act, or to contribute to payments any Participating Unitholder may be required to make because of any of those liabilities.

References to, and descriptions of, the Operating Agreement, the Managing Member LLC Agreement and the Registration Rights Agreement as set forth herein are qualified in their entirety by reference to the copy of the Operating Agreement, the Managing Member LLC Agreement and the Registration Rights Agreement included as Exhibits 2 through 4, respectively, to this Schedule 13D, and such agreements are incorporated by reference herein in their entirety where such references and descriptions appear.

**ARTICLE V
MANAGEMENT AND OPERATION OF BUSINESS**

Section 5.1 *Establishment of the Board.*

(a) The number of directors (the "Directors") constituting the board of directors of the Company (the "Board") shall be at least three and not more than twelve, unless otherwise fixed from time to time pursuant to action by the Sole Member.

(b) The Directors shall be elected or appointed by the Sole Member. The Directors shall serve as Directors of the Company for their term of office established pursuant to Section 5.3. As of the date hereof, the Directors are as set forth on Schedule I hereto. The Directors designated as Continuing Independent on Schedule I hereto are Independent Directors mutually agreed by each of Devon Energy Corporation and Crosstex Energy, Inc. on or prior to the date hereof. During the period commencing with the date hereof and ending on the third anniversary hereof, the Sole Member shall not appoint any replacement for any Continuing Independent without the approval of a majority of the remaining Continuing Independents and the Chief Executive Officer.

Section 5.2 *The Board; Delegation of Authority and Duties.*

(a) *Sole Members and Board.* Except as otherwise provided in this Agreement, the business and affairs of the Company shall be managed under the direction of the Board, which shall possess all rights and powers which are possessed by "managers" under the Act and otherwise by applicable law, pursuant to Section 18-402 of the Act, subject to the provisions of this Agreement. Except as otherwise provided for herein, the Sole Member hereby consents to the exercise by the Board of all such powers and rights conferred on it by the Act or otherwise by applicable law with respect to the management and control of the Company.

(b) *Delegation by the Board.* The Board shall have the power and authority to delegate to one or more other Persons the Board's rights and powers to manage and control the business and affairs of the Company, including delegating such rights and powers of the Board to agents and employees of the Company (including Officers). The Board may authorize any Person (including the Sole Member, or any Director or Officer) to enter into any document on behalf of the Company and perform the obligations of the Company thereunder.

(c) *Committees.*

(i) The Board may establish committees of the Board and may delegate any of its responsibilities to such committees. If the Board establishes a Conflicts Committee (as defined in the EnLink Midstream Agreement), the Continuing Independents shall be members of such committee unless they decline appointment thereto or do not meet the standards required to be members thereof.

(ii) The Board shall have an audit committee comprised of at least three Directors, all of whom shall be Independent Directors. Such audit committee shall establish a written audit committee charter in accordance with the rules of the principal national securities exchange on which a class of EnLink Midstream Interests of EnLink Midstream are listed or admitted to trading, as amended from time to time. “Independent Director” shall mean Directors meeting independence standards required of directors who serve on an audit committee of a board of directors established by the Securities Exchange Act of 1934 and the rules and regulations of the Securities and Exchange Commission thereunder and by the national securities exchange on which any class of EnLink Midstream Interests of EnLink Midstream are listed or admitted to trading. The Continuing Independents shall be members of the Audit Committee unless they decline appointment thereto or are not Independent Directors.

(d) *Chairman of the Board.* The Sole Member may appoint a chairman (the “Chairman”) of the Board. The Chairman of the Board, if appointed, shall be a member of the Board and shall preside at all meetings of the Board and of the non-managing members of EnLink Midstream. The Chairman of the Board shall not be an Officer by virtue of being the Chairman of the Board but may otherwise be an Officer. The Chairman of the Board may be removed either with or without cause at any time by the Sole Member. No removal or resignation as Chairman of the Board shall affect such Chairman’s status as a Director unless such person is also removed or resigns as a Director.

Section 5.3 *Term of Office.* Once designated pursuant to Section 5.1, a Director shall continue in office until the removal of such Director in accordance with the provisions of this Agreement or until the earlier death or resignation of such Director. Any Director may resign at any time by giving written notice of such Director’s resignation to the Board. Any such resignation shall take effect at the time the Board receives such notice or at any later effective time specified in such notice. Unless otherwise specified in such notice, the acceptance by the Board of such Director’s resignation shall not be necessary to make such resignation effective. Notwithstanding anything herein or under applicable law to the contrary, any Director may be removed at any time with or without Cause by the Sole Member; *provided*, that the Sole Member shall not remove a Continuing Independent, other than for Cause or because the Continuing Independent ceases to be an Independent Director, without the approval of a majority of the remaining Continuing Independents and the Chief Executive Officer. For purpose of the foregoing, “Cause” means with respect to any Director, gross misconduct or neglect, false or fraudulent misrepresentation regarding such director’s qualifications or credentials, unauthorized disclosure of material confidential information concerning the Company and its Subsidiaries, conversion of corporate funds, acts involving moral turpitude, material violation of any code of conduct adopted by the Company, EnLink Midstream or their Subsidiaries or similar acts detrimental to the Company or EnLink Midstream.

Section 5.4 *Meetings of the Board and Committees.*

(a) *Meetings.* The Board (or any committee of the Board) shall meet at such time and at such place as the Chairman of the Board (or the chairman of such committee) may designate. Written notice of all regular meetings of the Board (or any committee of the Board) must be given to all Directors (or all members of such committee) at least two days prior to the

regular meeting of the Board (or such committee). Special meetings of the Board (or any committee of the Board) shall be held at the request of the Chairman, a majority of the Directors (or a majority of the members of such committee) or the Sole Member upon at least two days (if the meeting is to be held in person) or twenty-four hours (if the meeting is to be held telephonically) oral or written notice to the Directors (or the members of such committee) or upon such shorter notice as may be approved by the Directors (or the members of such committee), which approval may be given before or after the relevant meeting to which the notice relates. All notices and other communications to be given to Directors (or members of a committee) shall be sufficiently given for all purposes hereunder if in writing and delivered by hand, courier or overnight delivery service or three days after being mailed by certified or registered mail, return receipt requested, with appropriate postage prepaid, or when received as an attachment to an electronic mail message or facsimile, and shall be directed to the address, electronic mail address or facsimile number as such Director (or member) shall designate by notice to the Company. Neither the business to be transacted at, nor the purpose of, any regular or special meeting of the Board (or committee) need be specified in the notice of such meeting. Any Director (or member of such committee) may waive the requirement of such notice as to such Director (or such member).

(b) *Conduct of Meetings.* Any meeting of the Board (or any committee of the Board) may be held in person or by telephone conference or similar communications equipment by means of which all persons participating in the meeting can hear each other.

(c) *Quorum.* Fifty percent or more of all Directors (or members of a committee of the Board), present in person or participating in accordance with Section 5.4(b), shall constitute a quorum for the transaction of business, but if at any meeting of the Board (or committee) there shall be less than a quorum present, a majority of the Directors (or members of a committee) present may adjourn the meeting without further notice. The Directors (or members of a committee) present at a duly organized meeting may continue to transact business until adjournment, notwithstanding the withdrawal of enough Directors (or members of a committee) to leave less than a quorum; *provided, however*, that only the acts of the Directors (or members of a committee) meeting the requirements of Section 5.5 shall be deemed to be acts of the Board (or such committee).

Section 5.5 *Voting.* Except as otherwise provided in this Agreement, the effectiveness of any vote, consent or other action of the Board (or any committee) in respect of any matter shall require either (i) the presence of a quorum and the affirmative vote of at least a majority of the Directors (or members of such committee) present or (ii) the written consent (in lieu of meeting) of the Directors (or members of such committee) having not less than the minimum number of votes that would be necessary to authorize or take such action at a meeting of the Board (or any committee) at which all Directors (or members of such committee) entitled to vote thereon were present and voted. Any Director may vote in person or by proxy (pursuant to a power of attorney) on any matter that is to be voted on by the Board at a meeting thereof.

Section 5.6 *Responsibility and Authority of the Board.*

(a) *General.* Except as otherwise provided in this Agreement, the relative authority and functions of the Board, on the one hand, and the Officers, on the other hand, shall be identical to the relative authority and functions of the board of directors and officers, respectively, of a corporation organized under the General Corporation Law of the State of Delaware. The Officers shall be vested with such powers and duties as are set forth in Section 6.1 hereof and as are specified by the Board from time to time. Accordingly, except as otherwise specifically provided in this Agreement, the day-to-day activities of the Company shall be conducted on the Company's behalf by the Officers who shall be agents of the Company. In addition to the powers and authorities expressly conferred on the Board by this Agreement, the Board may exercise all such powers of the Company and do all such acts and things as are not restricted by this Agreement, the EnLink Midstream Agreement, the Act or applicable law.

(b) *Member Consent Required for Extraordinary Matters.* Notwithstanding anything herein to the contrary, the Board will not take any action without approval of the Sole Member with respect to an extraordinary matter that would have, or would reasonably be expected to have, a material effect, directly or indirectly, on the Sole Member's interests in the Company. The type of extraordinary matter referred to in the prior sentence which requires approval of the Sole Member shall include, but not be limited to, the following: (i) commencement of any action relating to bankruptcy, insolvency, reorganization or relief of debtors by the Company, EnLink Midstream or a material Subsidiary thereof; (ii) a merger, consolidation, recapitalization or similar transaction involving the Company, EnLink Midstream or a material Subsidiary thereof; (iii) a sale, exchange or other transfer not in the ordinary course of business of a substantial portion of the assets of EnLink Midstream or a material Subsidiary of EnLink Midstream, viewed on a consolidated basis, in one or a series of related transactions; (iv) dissolution or liquidation of the Company or EnLink Midstream; and (v) a material amendment of the EnLink Midstream Agreement. An extraordinary matter will be deemed approved by the Sole Member if the Board receives a written, facsimile or electronic instruction evidencing such approval from the Sole Member or if a majority of the Directors that do not qualify as Independent Directors because of their affiliation with the Sole Member, approve such matter. To the fullest extent permitted by law, a Director, acting as such, shall have no duty, responsibility or liability to the Sole Member with respect to any action by the Board approved by the Sole Member.

(c) *Member-Managed Decisions.* Notwithstanding anything herein to the contrary, the Sole Member shall have exclusive authority over the internal business and affairs of the Company that do not relate to management and control of EnLink Midstream and its subsidiaries. For illustrative purposes, the internal business and affairs of the Company where the Sole Member shall have exclusive authority include (i) the amount and timing of distributions paid by the Company, (ii) the issuance or repurchase of any equity interests in the Company, (iii) the prosecution, settlement or management of any claim made directly against the Company, (iv) the decision to sell, convey, transfer or pledge any asset of the Company, (v) the decision to amend, modify or waive any rights relating to the assets of the Company and (vi) the decision to enter into any agreement to incur an obligation of the Company other than an agreement entered into for and on behalf of EnLink Midstream for which the Company is liable exclusively by virtue of the Company's capacity as managing member of EnLink Midstream or of any of its Affiliates.

In addition, notwithstanding anything herein to the contrary, the Sole Member shall have exclusive authority to cause the Company to exercise the rights of the Company as managing member of EnLink Midstream (or those exercisable after the Company ceases to be the managing member of EnLink Midstream) where (a) the Company makes a determination or takes or declines to take any other action in its individual capacity under the EnLink Midstream Agreement or (b) where the EnLink Midstream Agreement permits the Company to make a determination or take or decline to take any other action in its sole discretion. For illustrative purposes, a list of provisions where the Company would be acting in its individual capacity or is permitted to act in its sole discretion is contained in Appendix A hereto.

Section 5.7 **Devotion of Time.** The Directors shall not be obligated and shall not be expected to devote all of their time or business efforts to the affairs of the Company (except, to the extent appropriate, in their capacity as officers or as employees of the Company or any Affiliate of the Company).

Section 5.8 **Certificate of Formation.** Gas Services caused the Certificate of Formation to be filed with the Secretary of State of the State of Delaware as required by the Act and certain other certificates or documents it determined in its discretion to be necessary or appropriate for the qualification and operation of the Company in certain other states. The Board shall use all reasonable efforts to cause to be filed such additional certificates or documents as may be determined by the Board to be necessary or appropriate for the formation, continuation, qualification and operation of a limited liability company in the State of Delaware or any other state in which the Company may elect to do business or own property. To the extent that such action is determined by the Board to be necessary or appropriate, the Board shall cause the Officers to file amendments to and restatements of the Certificate of Formation and do all things to maintain the Company as a limited liability company under the laws of the State of Delaware or of any other state in which the Company may elect to do business or own property.

Section 5.9 **Benefit Plans.** The Board may propose and adopt on behalf of the Company employee benefit plans, employee programs and employee practices, or cause the Company to issue interests of the Company (or to exercise its authority to cause EnLink Midstream to issue EnLink Midstream Interests), in connection with or pursuant to any employee benefit plan, employee program or employee practice maintained or sponsored by any Group Member or any Affiliate thereof, in each case for the benefit of employees of the Company, any Group Member or any Affiliate thereof, or any of them, in respect of services performed, directly or indirectly, for the benefit of any Group Member.

Section 5.10 **Indemnification.**

(a) To the fullest extent permitted by law but subject to the limitations expressly provided in this Agreement, all Indemnitees shall be indemnified and held harmless by the Company from and against any and all losses, claims, damages, liabilities, joint or several, expenses (including legal fees and expenses), judgments, fines, penalties, interest, settlements or other amounts arising from any and all threatened, pending or completed claims, demands, actions, suits or proceedings, whether civil, criminal, administrative or investigative, and whether formal or informal and including appeals, in which any Indemnitee may be involved, or is threatened to be involved, as a party or otherwise, by reason of its status as an Indemnitee and acting (or refraining to act) in such capacity on behalf of or for the benefit of the Company; *provided*, that the Indemnitee shall not be indemnified and held harmless if there has been a final

and non-appealable judgment entered by a court of competent jurisdiction determining that, in respect of the matter for which the Indemnitee is seeking indemnification pursuant to this Section 5.10, the Indemnitee acted in bad faith or, in the case of a criminal matter, acted with knowledge that the Indemnitee's conduct was unlawful. Any indemnification pursuant to this Section 5.10 shall be made only out of the assets of the Company, it being agreed that the Sole Member shall not be personally liable for such indemnification and shall have no obligation to contribute or loan any monies or property to the Company to enable it to effectuate such indemnification.

(b) To the fullest extent permitted by law, expenses (including legal fees and expenses) incurred by an Indemnitee who is indemnified pursuant to Section 5.10(a) in appearing at, participating in or defending any claim, demand, action, suit or proceeding shall, from time to time, be advanced by the Company prior to a final and non-appealable judgment entered by a court of competent jurisdiction determining that, in respect of the matter for which the Indemnitee is seeking indemnification pursuant to this Section 5.10, that the Indemnitee is not entitled to be indemnified upon receipt by the Company of any undertaking by or on behalf of the Indemnitee to repay such amount if it shall be ultimately determined that the Indemnitee is not entitled to be indemnified as authorized by this Section 5.10.

(c) The indemnification provided by this Section 5.10 shall be in addition to any other rights to which an Indemnitee may be entitled under any agreement, as a matter of law, in equity or otherwise, both as to actions in the Indemnitee's capacity as an Indemnitee and as to actions in any other capacity, and shall continue as to an Indemnitee who has ceased to serve in such capacity and shall inure to the benefit of the heirs, successors, assigns and administrators of the Indemnitee.

(d) The Company may purchase and maintain (or reimburse the Sole Member or its Affiliates for the cost of) insurance, on behalf of the Directors, the Officers, the Sole Member, its Affiliates, the Indemnitees and such other Persons as the Sole Member shall determine, against any liability that may be asserted against, or expense that may be incurred by, such Person in connection with the Company's activities or such Person's activities on behalf of the Company, regardless of whether the Company would have the power to indemnify such Person against such liability under the provisions of this Agreement.

(e) For purposes of this Section 5.10, the Company shall be deemed to have requested an Indemnitee to serve as fiduciary of an employee benefit plan whenever the performance by it of its duties to the Company also imposes duties on, or otherwise involves services by, it to the plan or participants or beneficiaries of the plan; excise taxes assessed on an Indemnitee with respect to an employee benefit plan pursuant to applicable law shall constitute "fines" within the meaning of Section 5.10(a); and action taken or omitted by an Indemnitee with respect to any employee benefit plan in the performance of its duties for a purpose reasonably believed by it to be in the best interest of the participants and beneficiaries of the plan shall be deemed to be for a purpose that is in the best interests of the Company.

(f) An Indemnitee shall be fully protected in relying in good faith upon the records of the Company and upon such information, opinions, reports or statements presented to the Company by any person or entity (including any other Indemnitee and any expert or advisor retained by or on behalf of the Company or the Board) as to matters the Indemnitee reasonably believes to be within such other person's or entity's professional or expert competence.

(g) In no event may an Indemnitee subject the Sole Member to personal liability by reason of the indemnification provisions set forth in this Agreement.

(h) An Indemnitee shall not be denied indemnification in whole or in part under this Section 5.10 because the Indemnitee had an interest in the transaction with respect to which the indemnification applies if the transaction was otherwise permitted by the terms of this Agreement.

(i) The provisions of this Section 5.10 are for the benefit of the Indemnitees and their heirs, successors, assigns, executors and administrators and shall not be deemed to create any rights for the benefit of any other Persons.

(j) No amendment, modification or repeal of this Section 5.10 shall in any manner terminate, reduce or impair the right of any past, present or future Indemnitee to be indemnified by the Company, nor the obligations of the Company to indemnify any such Indemnitee under and in accordance with the provisions of this Section 5.10 as in effect immediately prior to such amendment, modification or repeal with respect to claims arising from or relating to matters occurring, in whole or in part, prior to such amendment, modification or repeal, regardless of when such claims may arise or be asserted.

Section 5.11 *Liability of Indemnitees.*

(a) Notwithstanding anything to the contrary set forth in this Agreement or the EnLink Midstream Agreement, no Indemnitee shall be liable for monetary damages to the Company, the Sole Member or any other Persons who have acquired interests in the Company, for losses sustained or liabilities incurred as a result of any act or omission of an Indemnitee unless there has been a final and non-appealable judgment entered by a court of competent jurisdiction determining that, in respect of the matter in question, the Indemnitee acted in bad faith or, in the case of a criminal matter, acted with knowledge that the Indemnitee's conduct was criminal.

(b) To the extent that, at law or in equity, an Indemnitee has duties (including fiduciary duties) and liabilities relating thereto to the Company or to the Sole Member and any other Indemnitee acting in connection with the Company's business or affairs shall not be liable to the Company, the Sole Member or any other Indemnitee for its good faith reliance on the provisions of this Agreement.

(c) Any amendment, modification or repeal of this Section 5.11 shall be prospective only and shall not in any way affect the limitations on the liability of the Indemnitees under this Section 5.11 as in effect immediately prior to such amendment, modification or repeal with respect to claims arising from or relating to matters occurring, in whole or in part, prior to such amendment, modification or repeal, regardless of when such claims may arise or be asserted.

Section 5.12 **Reliance by Third Parties.** Notwithstanding anything to the contrary in this Agreement, any Person dealing with the Company shall be entitled to assume that any Officer authorized by the Board to act for and on behalf of and in the name of the Company has full power and authority to encumber, sell or otherwise use in any manner any and all assets of the Company and to enter into any authorized contracts on behalf of the Company, and such Person shall be entitled to deal with any such Officer as if it were the Company's sole party in interest, both legally and beneficially. The Sole Member hereby waives any and all defenses or other remedies that may be available against such Person to contest, negate or disaffirm any action of any such Officer in connection with any such dealing. In no event shall any Person dealing with any such Officer or its representatives be obligated to ascertain that the terms of the Agreement have been complied with or to inquire into the necessity or expedience of any act or action of any such Officer or its representatives. Each and every certificate, document or other instrument executed on behalf of the Company by any Officer authorized by the Board shall be conclusive evidence in favor of any and every Person relying thereon or claiming thereunder that (a) at the time of the execution and delivery of such certificate, document or instrument, this Agreement was in full force and effect, (b) the Person executing and delivering such certificate, document or instrument was duly authorized and empowered to do so for and on behalf of and in the name of the Company and (c) such certificate, document or instrument was duly executed and delivered in accordance with the terms and provisions of this Agreement and is binding upon the Company.

Section 5.13 **Other Business of Members.**

(a) *Existing Business Ventures.* The Sole Member, each Director and their respective Affiliates may engage in or possess an interest in other business ventures of any nature or description, independently or with others, similar or dissimilar to the business of the Company or EnLink Midstream, and the Company, EnLink Midstream, the Directors and the Sole Member shall have no rights by virtue of this Agreement in and to such independent ventures or the income or profits derived therefrom, and the pursuit of any such venture, even if competitive with the business of the Company or EnLink Midstream, shall not be deemed wrongful or improper.

(b) *Business Opportunities.* None of the Sole Member, any Director or any of their respective Affiliates shall be obligated to present any particular investment opportunity to the Company or EnLink Midstream even if such opportunity is of a character that the Company, EnLink Midstream or any of their respective subsidiaries might reasonably be deemed to have pursued or had the ability or desire to pursue if granted the opportunity to do so, and the Sole Member, each Director or any of their respective Affiliates shall have the right to take for such person's own account (individually or as a partner or fiduciary) or to recommend to others any such particular investment opportunity.
