Forward-Looking Statements

This press release contains forward-looking statements within the meaning of the federal securities laws. These statements are based on certain assumptions made by the Master Limited Partnership and the General Partner based upon management's experience and perception of historical trends, current conditions, expected future developments and other factors the Master Limited Partnership and the General Partner believe are appropriate in the circumstances. These statements include, but are not limited to, statements with respect to results of operations information and distribution information. Such statements are subject to a number of assumptions, risks and uncertainties, many of which are beyond the control of the Master Limited Partnership and the General Partner, which may cause the Master Limited Partnership's and the General Partner's actual results to differ materially from those implied or expressed by the forward-looking statements. These risks include, but are not limited to, risks discussed in the Master Limited Partnership's and the General Partner's filings with the Securities and Exchange Commission. The Master Limited Partnership and the General Partner have no obligation to publicly update or revise any forward-looking statement, whether as a result of new information, future events or otherwise.

Qualified Notice to Nominees:

This release serves as qualified notice to nominees as provided for under Treasury Regulation Section 1.1446-4(b)(4) and (d). Please note that 100 percent of the Master Limited Partnership's distributions to foreign investors are attributable to income that is effectively connected with a United States trade or business. Accordingly, all of the Master Limited Partnership's distributions to foreign investors are subject to federal income tax withholding at the highest effective tax rate for individuals or corporations, as applicable. Nominees, and not the Master Limited Partnership, are treated as withholding agents responsible for withholding distributions received by them on behalf of foreign investors.
